

Licensure Educational Requirements Notice

**BS in Respiratory Care  
Upstate Medical University**

This document is intended to satisfy the notification requirements under 34 CFR § 668.43 for SUNY Upstate Medical University's BS in Respiratory Care Program.

This disclosure is strictly limited to SUNY Upstate Medical University's determination of whether the BS in Respiratory Care Program, if successfully completed, would be sufficient to meet the educational requirements in a state or territory for its respective License or certification. SUNY Upstate Medical University cannot provide verification of an individual's ability to meet licensure or certification requirements unrelated to its educational programming. Such individual determinations are made by state and territorial licensing boards, and are fact-specific determinations.

This disclosure does **not** provide any guarantee that any particular state or territorial licensure or certification entity will approve or deny your application for the License or Certification. Furthermore, this disclosure does **not** account for changes in state law or regulation that may affect your application for licensure and occur after this disclosure has been made. **You are strongly encouraged to contact the certification or licensure entity in the state or territory where you intend to practice to determine all requirements for the License or Certification.**

SUNY Upstate Medical University has determined that the BS in Respiratory Care Program, if successfully completed, **meets the state or territorial educational requirements** for the License or Certification in the following states and territories:

New York

SUNY Upstate Medical University has not determined that the BS in Respiratory Care Program **does not meet the state or territorial educational requirements** for the License or Certification in any of the states and territories of the United States.

SUNY Upstate Medical University **has not made a determination whether the BS in Respiratory Care Program meets the state or territorial educational requirements** for the License or Certification in the following states and territories:

|                |                      |                                |                  |
|----------------|----------------------|--------------------------------|------------------|
| Alabama        | Alaska               | American Samoa                 | Arizona          |
| Arkansas       | California           | Colorado                       | Connecticut      |
| Delaware       | District of Columbia | Florida                        | Georgia          |
| Guam           | Hawaii               | Idaho                          | Illinois         |
| Indiana        | Iowa                 | Kansas                         | Kentucky         |
| Louisiana      | Maine                | Maryland                       | Marshall Islands |
