

Curriculum Vitae

Tammy L. Austin-Ketch, PhD, FNP, BC, FAANP

Dean & Professor

Upstate Medical University, The State University of New York
College of Nursing
1136 New Academic Bldg, 790 Irving Ave
Syracuse, NY 13210

Phone: (315) 464-3902

Email: austinkt@upstate.edu

NYS RN license: 423523-1

NYS FNP certification: F331418

Education

- University at Buffalo, The State University of New York, Buffalo, NY* 2008
Ph.D. Epidemiology and Community Health
Dissertation: "Buffalo Cardiometabolic Occupational Police Stress Study: An Exploratory Study of Post-traumatic Stress, Depression, Metabolic Syndrome and Salivary Cortisol"
- University at Buffalo, The State University of New York, Buffalo, NY* 1996
M.S. Nursing, Family Nurse Practitioner

Professional Employment

Academic:

- Upstate Medical University, The State University of New York, Syracuse, NY* 1/18 – present
Dean and Professor, College of Nursing
- University at Buffalo, The State University of New York, Buffalo, NY* 1/14-1/18
Clinical Professor, Nursing
Assistant Dean, MS/DNP Programs
- University at Buffalo, The State University of New York, Buffalo, NY* 1/13-8/14
Clinical Professor, Nursing
Coordinator, FNP Program
- University at Buffalo, The State University of New York, Buffalo, NY* 1/09-12/12
Associate Clinical Professor, Nursing
Coordinator, FNP Program
- University at Buffalo, The State University of New York, Buffalo, NY* 9/01-12/08
Assistant Clinical Professor, Nursing
- University at Buffalo, The State University of New York, Buffalo, NY* 8/98-8/01
Clinical Instructor, Nursing
- University at Buffalo, The State University of New York, Buffalo, NY* 2/14-8/16
Adjunct Professor (Volunteer), Dental Medicine
- Roswell Park Cancer Institute, Buffalo, NY* 7/13-present
Adjunct Professor (Volunteer) of Oncology

Clinical Practice:

Mt. St. Mary's Hospital Family Nurse Practitioner, Primary Care Provider	10/08-12/13
Dr. Antoine Ghaly Family Nurse Practitioner	9/07-10/08
Summit Park Family Health Family Nurse Practitioner, Primary Care Provider Practice Manager	7/86-12/06
Niagara Falls Memorial Medical Center Family Nurse Practitioner, Primary Care (Native American Health Center) Migrant Services Program Consultant	10/97-present 7/96-12/04

Consultation

<i>SUNY Plattsburgh</i> New Program Reviewer, MS ANP Program	2014
<i>Stony Brook University School of Nursing</i> Reappointment Reviewer	2014
<i>Duke University School of Nursing</i> Reappointment Reviewer	2014

Awards and Honors

University at Buffalo, School of Nursing, Distinguished Alumni Award	2018
University at Buffalo, School of Nursing, Dean's Award for Excellence in Clinical Scholarship	2017
University at Buffalo, School of Nursing, Distinguished Faculty Mentor Award	2016
New York State Nurses Association, Nurse of Distinction nominee	2016
March of Dimes Nurse of the Year- Education	2015
University at Buffalo, School of Nursing, Clinical Faculty Scholar Award	2013
University at Buffalo, School of Nursing, Mecca S. Cranley Award for Excellence in Teaching	2011
American Academy of Nurse Practitioners, Fellow	2010
American Academy of Nurse Practitioners, New York State Nurse Practitioner of the Year	2009
Niagara County Community College, Distinguished Alumni of the Year	2007
American Nurses Credentialing Center, Certification Certified Specialist, FNP, BC	1997-2017
<i>University at Buffalo, Distinguished Alumni</i>	1996

Funded Grants

Intramural

Telehealth Competencies for Advanced Nurse Practitioners, **Project Director**. Funded by SUNY Office of Academic Affairs and the Provost, 9/1/15 – 8/31/16. \$99,075.

Telehealth Delivery by Family Nurse Practitioners, **Project Director**. Funded by SUNY Office of Academic Affairs and the Provost, 9/1/14 – 8/31/15. \$50,000.

HCT Survivorship: Exploring Unmet Needs of Transplant Center Patients Across the Nation. **Primary Investigator**. Funded by United University Professions, Buffalo HSC Chapter IDA 7/1/2014 – 6/30/2015. \$1,000.

HCT Survivorship: Exploring Unmet Needs of East Coast Transplant Center Patients. **Primary Investigator**. Funded by United University Professions, Buffalo HSC Chapter IDA 7/1/2013 – 6/30/2014. \$850.

HCT Survivorship: Exploring Unmet Needs. **Co-Investigator**. Funded by Patricia H. Garman Behavioral Health Fund. 1/1/2013 – 12/31/2014. \$14,710.

Extramural

DHHS, HRSA 9/30/17-8/31/21
Behavioral Health-focused Interprofessional Education and Practice for Graduate Students in Integrated Care Setting
The overarching purpose of this project is to increase access to team-based integrated addictions and behavior health services in underserved primary care settings in Western New York. (Submitted, Funded - \$1.92 million)
Role: Co-Investigator – Clinical Specialist

DHHS, HRSA 7/1/2017-6/30/2019
ANEW Grant Enhanced integration of behavioral health into primary care education and practice
The overarching goal of this grant is to increase access to high value integrated behavioral health and primary care services for rural and underserved patients—primarily Native Americans and adults with special needs—who are currently patients in our primary care academic-clinical partnership with Niagara Falls Memorial Medical Center (NFMCC). (Submitted, Funded - \$1.4 million)
Role: Project Director

DHHS, HRSA 7/1/2017-6/30/2019
Behavioral Health Integration in a Native American Primary Care Clinic
The specific purpose of this project is to integrate behavioral health into a primary care clinic—the Tuscarora Health Center, located on the Tuscarora Indian Reservation in Lewiston, NY— which is a nurse-managed practice. (Submitted, Funded - \$1 million)
Role: Co-Investigator

DHHS, HRSA 7/1/2017-6/30/2018
Nurse Anesthetist Traineeship (NAT) Program
The Nurse Anesthetist Traineeship Program provides financial support for graduate students within the Nurse Anesthetist program (Submitted, Funded - \$25,153)
Role: Project Director

DHHS, HRSA 7/1/2016-6/30/2019
Partnering to educate FNPs for practice in Native American, underserved and rural settings.
The overarching goal of this grant is to increase access to primary care services for rural, underserved and Native American patients (Submitted, Funded - \$1,733,332)
Role: Project Director

DHHS, HRSA 7/1/16-6/30/17
Advanced Education Nursing Traineeship
The overarching goal of this project is to obtain AENT funding in order to increase the primary care work force of advance practice nurses who desire employment within rural and underserved communities.
(Submitted, Funded - \$349,410)
Role: Project Director

DHHS, HRSA 7/1/2016-6/30/2017
Advanced Education Nursing Traineeship
The Advanced Education Nursing Traineeship provides financial support for graduate students within the DNP program. (Submitted, Funded - \$22,904)
Role: Project Director

Jonas Scholars Program Grant 10/2015
Jonas Veterans Healthcare DNP Program
The Jonas Veterans Healthcare Program is a component of the Nurse Scholar Program that aims to increase the number of advanced practice nurses and faculty who are trained specifically in the unique needs of our veteran population.
(Submitted, Funded - \$30,000)
Role: Co-Investigator

DHHS, HRSA 7/1/2015-6/30/2016
Nurse Anesthetist Traineeship (NAT) Program
The Nurse Anesthetist Traineeship Program provides financial support for graduate students within the Nurse Anesthetist program. (Submitted, Funded - \$28,958)
Role: Project Director

HCT Survivorship: Exploring Unmet Needs of East Coast Transplant Center Patients. **Primary Investigator.** Funded by Sigma Theta Tau, Gamma Kappa Chapter 6/1/2014 – 5/31/2015. \$500.

The Face of Female Cardiovascular Disease in Western New York: Do you recognize this face?
Co-Investigator. Funded by Sigma Theta Tau, Gamma Kappa Chapter 1/1/2010 – 12/31/2010, \$1000.

Improving Outreach Care of the Migrant Farmworker through use of PDA Technology. **Project Director.** Funded by Rural Area Health Education Consortium 7/1/01 – 6/30/02, \$2,767.

Submitted Grants

American Association of Colleges of Nursing
Enhanced Nursing Education to Increase Access to Oral Health Care in Children: Fluoride Varnish
The purpose is to enhance registered nurse and advanced practice nursing students education surrounding fluoride varnish application in children to meet a Healthy People 2020 objective.
(Submitted 4/13/2018 -\$10,000)
Role: Co-Investigator

Yahoo Community Benefit Fund
The Eastern Niagara County-UB Nursing Van (mobile outreach nursing van)
The purpose is to acquire and equip a mobile outreach nursing van (The Eastern Niagara County-UB Nursing Van) that will allow the UB School of Nursing to provide health and wellness services to residents in Eastern Niagara County at no cost to the patient.
(Submitted, Not Funded - \$40,000)
Role: Project Director

Gladys Brooks Foundation Grant Application
The Eastern Niagara County-UB Nursing Van (mobile outreach nursing van)
The purpose is to acquire and equip a mobile outreach nursing van (The Eastern Niagara County-UB Nursing Van) that will allow the UB School of Nursing to provide health and wellness services to residents in Eastern Niagara County at no cost to the patient.
(Submitted, Not funded - \$40,000)
Role: Project Director

Grigg Lewis Foundation, Inc.

The Eastern Niagara County-UB Nursing Van (mobile outreach nursing van)

The purpose is to acquire and equip a mobile outreach nursing van (The Eastern Niagara County-UB Nursing Van) that will allow the UB School of Nursing to provide health and wellness services to residents in Eastern Niagara County at no cost to the patient.

(Submitted, Not funded - \$287,000)

Role: Project Director

DHHS, HRSA

7/1/2015-6/30/2018

Interprofessional Telehealth Competencies in Transitional Care.

The goal of this grant is to increase access to transitional care for oncology patients newly discharged from the hospital by the use of in home care visits, especially for patients living in rural or health provider shortage areas (HPSA).

(Submitted, Not funded - \$1,878,998)

Role: Project Director

Understanding Knowledge, Attitude, and Behaviors Regarding BMT Survivorship Guidelines, **Primary Investigator**, Western New York Cancer² 8/1/13. **\$26,659** (Submitted; scored, not funded)

Understanding Knowledge, Attitude, and Behaviors Toward BMT Survivorship Clinic Participation, **Co-Investigator**, Roswell Park Cancer Institute Quality of Life Initiative Grant 6/24/13. **\$7,000**. (Submitted, not funded)
