The Advocates is a membership organization of volunteers whose mission is to serve Upstate Medical University and its campuses. We do that primarily in two ways: direct service projects to improve and enhance patient care; and fund raising to provide funds in support of patient care enhancement and education.

The Advocates for Upstate Medical University is a charitable 501c(3) non-profit organization.

This year’s proceeds are earmarked for Upstate University Hospital Community Hosting of M.A.S.H. Camp (Medical Academy of Science & Health).
M.A.S.H. Camp is an exciting hands-on health careers exploration program that allows campers to be exposed to dozens of healthcare professions at an age (13–15) when they are making decisions on their education and viable career paths. This is a product of The Central New York Association of Health Education Center.
