

## Educational Resources

### **Medications:**

Combivir: <http://www.aidsinfonet.org/en/pdf/417.pdf>

Tenofovir: <http://www.aidsinfonet.org/en/pdf/419.pdf>

This web site offers medication sheets for all HIV antiretrovirals. If a alternate drug is used you may go to this web site and print out the appropriate sheet.

### **Exposure to Blood: What Health-Care Workers Need to Know, Department of Health and Human Services, CDC**

<http://bookstore.phf.org/prod290.htm>

### **Are there drugs that can prevent infection after I've been exposed to HIV?**

<http://www.health.state.ny.us/diseases/aids/docs/9104eng.pdf>

### **HIV/AIDS Educational Materials for Consumers**

<http://www.health.state.ny.us/diseases/aids/publications/edmat.htm>

Free HIV educational materials from NYS DOH

### **Preventing Occupational HIV Transmission to Healthcare Personnel, CDC**

<http://www.cdc.gov/hiv/pubs/facts/hcwprev.pdf>
