

Reforming the Redoubtable US Health Care System

Thomas H. Dennison, PhD
Professor of Practice, The Maxwell School
Associate Director, CNYMPH Program
Syracuse University

Department of Public Health & Preventive Medicine
Grand Rounds
November 11, 2009 • 4:00-5:00 PM
2231 Weiskotten Hall
Upstate Medical Campus

Sponsored by the Office of CME at SUNY Upstate Medical University • Program C0-Sponsor: SUNY Upstate Medical University Institute for Continuing Nursing Education

Objectives

At the conclusion of this talk, participants should:

- Be able to describe the pattern of health care spending in the US over the last 20 years.
- Be able to discuss a range of alternatives available to decrease health care costs.
- Be able to discuss the role public health plays in containing health care cost and health care reform.
- Be able to describe the range of actions involved with health care reform.

Who Should Attend

This activity is designed to be of interest to physicians, nurses, physician assistants, nurse practitioners, students, other healthcare professionals and those in the community interested in public health, community health, disease prevention, health care reform and those wishing to have an active role in making our region healthier.

Speaker Disclosure Information: Dr. Dennison has provided disclosure information and has stated there are no relationships or affiliations to disclose.
