

How To Verify # of Answer Choices in Exemplify

1. When a question item is selected for viewing, the student should see a screen similar to the one pictured here:

2. If the answer choices are too many to be displayed, your screen may look like this (Question and Answer Choices redacted to protect secure bank):

3. Note that the Circled item shows that there should be Answers A – F, however only A-D are shown.
4. In this case, please use the scroll bar on the right to show the other answers.
5. Note that the scroll bar will only appear when there is additional information to view.
