Excused absences from scheduled exams: All requests **MUST** be made to the Chair of Phase 1 Committee, Assistant Dean of Foundational Science: Dr. Tom Poole, poole@upstate.edu, 315-464-9820. Students are **NOT** to contact individual Unit Directors. If contacted, Course Directors are to immediately refer students to the Phase I Chair. A signed letter explaining the reason for request should be submitted by the student to the Chair prior to the exam date with any supporting documentation. The Chair will generally excuse the student from the scheduled exam for the following reasons:

- * Participation in a major religious observance that conflicts with an exam date (the Chair will be guided by the Office of Student Affairs in deciding which religious observances qualify)
- * Attendance at a funeral service for a member of the student's immediate family (1st or 2nd degree relations)
- * Incapacitating illness or injury (with explanatory note from a physician)
- * Hospitalization (automatic excuse)
