Hospice Misconceptions

Hospice Misconceptions

Nothing can be done for me
medically

Hospice Misconceptions

Nothing can be done for me medically

Hospice Misconceptions

Nothing can be done for me medically

I cannot see my doctor
anymore

Hospice Misconceptions

Nothing can be done for me medically

I cannot see my doctor anymore

Hospice Misconceptions

Nothing can be done for me medically

I cannot see my doctor anymore

If I'm in Hospice it means I'm
at the end

Hospice Misconceptions

Nothing can be done for me medically

I cannot see my doctor anymore

If I'm in Hospice it means I'm at the end

Hospice Misconceptions

Nothing can be done for me medically

I cannot see my doctor anymore

If I'm in Hospice it means I'm at the end

Only cancer patients get hospice

Hospice Misconceptions

THE PANASCI COMMUNITY ENTRANCE

“Grief is not a state,
but a process-like a
walk in a winding
valley with a new
prospect at every
bend.”

C.S. Lewis
