

ESTIMATED COST OF ATTENDANCE, 2009-2010
MEDICAL IMAGING BPS Degree
CT and MR Concentrations

The following estimates are based on average costs in the Syracuse area. Your actual expenses may be less, especially if you create and monitor a personal budget. By spending less, you will borrow less from student loans, or be able to manage other costs that cannot be included for federal student aid purposes, such as credit card payments or car loans. Tuition and fees are subject to change.

Costs shown are for full time enrollment. Tuition, fees, and books will be reduced for part-time enrollment.

To determine how much to borrow, subtract your total resources from your costs. If your costs are greater than your resources and aid, you probably need to reduce your budget. Tips on budgeting can be found on the back of this sheet. Remember that what you borrow has to be repaid, with interest.
