

ESTIMATED COST OF ATTENDANCE, 2011-2012 Physicians Assistant Program

The following estimates are based on average costs in the Syracuse area. Your actual expenses may be less, especially if you create and monitor a personal budget. By spending less, you will borrow less from student loans, or be able to manage other costs that cannot be included for federal student aid purposes, such as credit card payments or car loans. **Tuition and fees are subject to change. Estimated costs effective 08/11/2011.**
