

ESTIMATED COST OF ATTENDANCE, 2011-2012
RADIATION THERAPY BS, BPS Degrees

The following estimates are based on average costs in the Syracuse area. Your actual expenses may be less, especially if you create and monitor a personal budget. By spending less, you will borrow less from student loans, or be able to manage other costs that cannot be included for federal student aid purposes, such as credit card payments or car loans. **Tuition and fees are subject to change without notice.**

Costs shown are for full time enrollment. Tuition, fees, and books will be reduced for part-time enrollment. Student is considered full time for FALL, SPRING and SUMMER.

To determine how much to borrow, subtract your total resources from your costs. If your costs are greater than your resources and aid, you probably need to reduce your budget. Remember that what you borrow has to be repaid, with interest. **The cost of Health Insurance is not included in this budget. If you must purchase Health Insurance, please notify the Financial Aid Office.**
