The SUNY Upstate Medical University College of Medicine Course Selection Book is printed in the month of March prior to the academic year that it is referenced to (which runs from July through June of the following year). The Course Selection Book is printed as a convenient carry-around reference guide for students, faculty and staff. However, please be aware that there may be changes to the College of Medicine course offerings throughout the year, so the most up-to-date, accurate information on course offerings for the College of Medicine is available in MyUpstate.
