

GRE Scores/Waiver Equivalents

Applicants must have taken within five (5) years of the application submission date.

Under certain circumstances, a waiver of the GRE requirement will be considered if the applicant has:

- Medical College test (MCAT), score of 26 (old) or 502 (new) or above is preferred
- Dental Admission Test (DAT), score of 17 or above is preferred
- Graduate Management Admission Test (GMAT), score of 550 or above is preferred
- Law School Admission Test (LSAT), score of 150 or above is preferred
- Optometry Admission Test (OAT), score of 70 or above is preferred
- United States Medical Licensure Exam (USMLE) step 2 or 3
- Earned a master's degree from a Council for Higher Education (CHEA) regionally accredited college or university and has relevant experience in the public health/health care field
- Earned a doctoral or medical degree from a Council for Higher Education (CHEA) regionally accredited college or university

The decision to grant a GRE waiver is at the discretion of the CNYMPH Admissions Committee after the review of the applicant's full application and substitute exam scores or transcripts. Applicants must be able to supply an official copy of the substitute exam (if applicable.) Proof of current licensure must be submitted for all allied health professionals.

Applicants who wish to pursue a waiver must submit a request to the CNYMPH Admissions Committee outlining their request:
