June 30, 2016

Dear Faculty and Students:

I am delighted to present data regarding this year's Match. We have a great deal about which to be proud! Included here is some general information about the Match, specialty-specific pages which provide historical as well current data, and an NRMP report that highlights additional characteristics about applicants and the Match.

Here are some additional highlights:

- Students responded to our match preference results survey which was administered by Dr. Lauren German, Director of Evaluation, Assessment and Research, during the March into Residency. The response rate was 96.7%.

1 <sup>st</sup> Choice	1 <sup>st</sup> or 2 <sup>nd</sup> Choice	1 <sup>st</sup> , 2 <sup>nd</sup> or 3 <sup>rd</sup> Choice
