

**ESTIMATED COST OF ATTENDANCE, 2008-2009**  
**COLLEGE OF MEDICINE - MS 3**  
**July 7, 2008 - June 26, 2009**

The following estimates are based on average costs in the Syracuse area. Your actual expenses may be less, especially if you create and monitor a personal budget. By spending less, you will borrow less from student loans, or be able to manage other costs that cannot be included for federal student aid purposes, such as credit card payments or car loans. Tuition and fees are subject to change.  
 Living expenses for transfer students will be pro-rated if enrollment begins after July 7, 2008.

To determine how much to borrow, subtract your total resources from your costs. If your costs are greater than your resources and aid, you probably need to reduce your budget. Tips on budgeting can be found on the back of this sheet. Remember that what you borrow has to be repaid, with interest.
