

Off Campus Access to Library Resources Voluntary Faculty

Off campus access is a benefit available to SUNY Upstate Medical University Clinical Campus faculty and staff members to provide access to the electronic resources available through the Health Sciences Library. These resources include: UptoDate, Essential Evidence Plus, e-book collections from Ovid, StatRef, PsychiatryOnline, and more than 8,000 online journals. For a complete listing of resources available visit the [Health Science Library](#) webpage and review its popular links, database, and journal listings.

Shortly after (2-3 weeks) you have applied for your faculty appointment by completing the [Upstate Medical University Faculty Personnel Record](#), you will be able to obtain your user ID and password by following the directions provided below:

1. Visit the Health Science Library webpage, click on the link for [Off-Campus Access](#) found beneath the heading Service Desk located in the left hand column.
2. Scroll down the page and click on the link Register for an off-campus access account.
3. In the Ask A Question form:
 - a. enter your name
 - b. professional email address (if you do not have a professionally associated email, please inform us within the form)
 - c. request an off-campus access account and indicate your affiliation as Voluntary Faculty with the Clinical Campus at Binghamton

If you encounter any problems or forget your password, please contact the Health Sciences Library at 315/464-7091 or send an email to library@upstate.edu
