POLICY STATEMENT

All medical students are considered full-time students unless otherwise requested. In order to be considered a part-time student, you must petition to the Registrar or designee for part-time status. Based on the nature of medical education as an academic year curriculum and not a semester curriculum, in order for a student to be eligible for part-time status, they must enroll in less than 12 credit hours a semester and less than 24 credit hours in an academic year. Tuition liability will be assessed based on semester credit hours.
