Upstate Medical University — the region’s largest employer and only academic medical center — is seeking applicants for its Summer 2016 Presidential Scholar internship program.

TO BE ELIGIBLE, AN INTERNSHIP CANDIDATE MUST:

● be a college senior graduating Spring 2016, a currently enrolled graduate student or a graduate student graduating Spring 2016.

● be a member of an underrepresented minority group (Black/African-American, Native American, Hispanic/Latino American)

● have a cumulative GPA of 2.5 or higher

● be prepared to either enter the workforce or pursue an advanced degree

Priority will be given to underrepresented minority applicants who grew up in and/or graduated from a high school in the Syracuse Metropolitan Statistical Area (SNMA: Onondaga, Madison, Cayuga, & Oswego counties).

INTERNSHIP DATES:

Ten weeks from May to August 2016. Beginning and end dates will be determined by the intern and the host department.
