

GENERAL INFORMATION

PROGRAM DESCRIPTION

This activity is intended for physicians, physician assistants, nurse practitioners, nurses, pharmacists, advanced life support personnel and other health care professionals who may deal with the pediatric emergency patient.

MEETING SITE

The Genesee Grande Hotel
1060 E. Genesee Street
Syracuse, New York 13210
315-476-4212

PROGRAM OBJECTIVES

This conference will review current issues in Pediatric Emergency Medicine with didactic lecture presentations on pediatric abdominal emergencies, how current literature helps the clinician diagnose & treat the pediatric patient with a closed head injury; what every clinician needs to know about the abused child and, infants, children, and their dermatologic problems in the ED. Participants will be able to identify current issues affecting emergency care and integrate those issues into their practice. The participant will also be able to recognize and assess risks of the pediatric patient and care for them in an acute setting.
