Winter Safety

Winter is upon us, don't forget to take these simple but important precautions:

- Take frequent breaks and stay hydrated when shoveling snow
Watch out for falling icicles when the snow begins to melt
- Use extra precaution when making turns in your vehicle
- Clear off ***ALL*** car windows for optimal visibility
- Keep a small snack, blanket, and heavy clothes in vehicle in case you become stuck
- Warm up your vehicle before driving off
- Watch out for pedestrians in the streets when the sidewalks haven't been cleared
