

FAQs.....

1. What requirements are needed for graduates from foreign medical schools to be considered an applicant?

Current ECFMG certificate, US citizenship, US permanent resident (Green Card), J-1 visas

2. Does it matter what year one graduated from medical school?

No

3. Is US clinical experience required?

Yes

4. Is there a minimum Board Score Requirement?

Upstate Medical University Syracuse, EM Program DOES NOT have a minimum Board score requirement. However, if all other factors are equal, board scores may influence the decision to call someone for interview.

5. Do you accept COMLEX scores in lieu of USMLE scores?

Yes

6. How many letters of reference?

ERAS will upload 4 letters of recommendation. At least two of these from EM faculty where one has done an AI/elective/Subintern rotation. If this is not possible, an explanation is required as to why someone has not done an AI in EM. Applications from such candidates will be considered on an individual basis.

7. Does your institution offer an ED Observership?

Unfortunately, the institute no longer offers an ED observership.

8. How many open positions will you have available starting in the new academic year?

10 EM-1 positions starting July 1st

The residency program director reviews all applications received. The final decision for interview will be based on information provided.
