

60th Annual Post-Graduate Review Course: Ophthalmology

Dates

December 4 & 5, 2009

Areas of Interest

This program is intended for practicing ophthalmologists and technical staff.

Program Description

The 60th Annual Post-Graduate Review Course: Ophthalmology is specifically designed for the practicing ophthalmologist and technical staff. The program consists of a series of didactic lectures with visual aids and supplemental educational materials. Ample time will be available for participants to interact with guest speakers and local faculty.

Meeting Agenda: *(Note: Times Subject to Change)*

Friday, December 4, 2009

7:30 am - 5:00 pm	Exhibits
7:30 - 8:00 am	Registration/Continental Breakfast
8:00 - 8:10 am	Greetings and Introduction John A. Hoepner, MD Moderator: Leon-Paul Noel, MD
8:10 - 8:30 am	Robert B. Barlow, PhD <i>Research Update</i>
8:30 - 8:50 am	Pratap Challa, MD <i>Selective Laser Trabeculoplasty in Glaucoma Management</i>
8:50 - 9:10 am	D. Jackson Coleman, MD <i>The Catenary Theory of Accommodation and Presbyopia</i>
9:10 - 9:30 am	Douglas R. Lazzaro, MD <i>LASIK Complications</i>
9:30 - 9:50 am	R.V. Paul Chan, MD <i>Telemedicine and its Role in Screening for Retinopathy of Prematurity</i>

9:50 - 10:10 am	Joseph M. Miller, MD, MPH <i>Pediatric Vision Screening Limitations</i>
10:10 - 10:30 am	Break: Please Visit the Exhibits
10:30 - 10:50 am	G. Robert Hampton, MD <i>Macular Clinical Trial Trends</i>
10:50 - 11:10 am	James J. Reidy, MD <i>Corneal Cross-linking for the Treatment of Keratoconus</i>
11:10 - 11:30 am	D. Jackson Coleman, MD <i>Ultrasound for the Refractive and the Vitreoretinal Surgeon</i>
11:30 - 11:50 am	Douglas R. Lazzaro, MD <i>HSV Keratitis Update</i>
11:50 - 12:10 pm	R.V. Paul Chan, MD <i>Small Gage Vitrectomy for Primary Retinal Detachment Repair</i>
12:10 - 1:30 pm	Luncheon and Round Table Discussion Moderator: Anthony P. Andrews, MD
1:30 - 1:50 pm	Pratap Challa, MD <i>Evidence-Based Medicine Approaches to Glaucoma Management</i>
1:50 - 2:10 pm	James J. Reidy, MD <i>Update on the Latest Techniques for Endothelial Keratoplasty</i>
2:10 - 2:30 pm	Joseph M. Miller, MD, MPH <i>Comparing Vision Screening Programs</i>
2:30 - 2:50 pm	Melissa W. Ko, MD <i>Retrobulbar Optic Neuropathies</i>
2:50 - 3:10 pm	Break: Please Visit the Exhibits
3:10 - 3:30 pm	Sharon A. Brangman, MD, FACP, AGSF <i>The Institute of Medicine Report</i> <i>Retooling for an Aging America: Building the Health Care Workforce</i>
3:30 - 3:50 pm	Luis J. Mejico, MD <i>Nonvestibulocochlear Cranial Nerve Schwannomas</i>
3:50 - 4:10 pm	Robert M. Kellman, MD <i>Orbital Complications of Sinusitis</i>

4:10 - 4:30 pm	Sadeer B. Hannush, MD <i>The New Corneal Triple Procedure: EK/CE/IOL, Sequential or Simultaneous</i>
4:30 - 4:50 pm	Nicolas E. Uzcategui, MD <i>Grave's Disease and Orbital Decompression</i>
4:50 - 5:10 pm	Panel Discussion: Questions and Answers

Saturday, December 5, 2009

8:00 am - 12:00 pm	Exhibits
7:30 - 8:00 am	Registration/Sign-In/Continental Breakfast
8:00 - 8:10 am	Greetings and Introductions Moderator: Anthony P. Andrews, MD
8:10- 8:30 am	Sadeer B. Hannush, MD <i>Permanent Keratoprosthesis: Is it Ready for Prime Time?</i>
8:30 - 8:50 am	Pratap Challa, MD <i>Clinical and Genetic Advances in Pseudoexfoliation Syndrome</i>
8:50 - 9:10 am	D. Jackson Coleman, MD <i>Ultrasound Imaging of the Eye – Part I</i>
9:10 - 9:30 am	D. Jackson Coleman, MD <i>Ultrasound Imaging of the Eye – Part II</i>
9:30 - 9:50 am	Sadeer B. Hannush, MD <i>Deep Anterior Lamellar Keratoplasty: Dissecting the Big Bubble Technique</i>
9:50 - 10:10 am	R.V. Paul Chan, MD <i>New Perspectives in the Management of Retinopathy of Prematurity</i>
10:10 - 10:30 am	Break: Please Visit the Exhibits
10:30 - 10:50 am	Jeremy T.H. Coleman, PhD <i>Bat White-nose Syndrome: An Emerging Fungal Pathogen?</i>
10:50 - 11:10 am	Douglas R. Lazzaro, MD <i>Peripheral Ulcerative Keratitis</i>
11:10 - 11:30 am	Joseph M. Miller, MD, MPH <i>Automated Vision Screening of Children</i>

11:30 - 11:50 am	Sadeer B. Hannush, MD <i>In-Office Corneal Procedures</i>
11:50 -12:10 pm	D. Jackson Coleman, MD <i>High Resolution Imaging of the Choroid in the Evaluation of AMD</i>
12:10 - 1:10 pm	Luncheon and Round-Table Discussion <i>Moderator: Leon-Paul Noel, MD</i>
1:10 - 1:30 pm	James J. Reidy, MD <i>Management of Lens Subluxation: Endocapsular Rings and Segments</i>
1:30 - 1:50 pm	R.V. Paul Chan, MD <i>Advances in Imaging for Vitreomacular Disease</i>
1:50 - 2:10 pm	Joseph M. Miller, MD, MPH <i>Spectacle Prescribing Recommendations for Children</i>
2:10 - 2:30 pm	Douglas R. Lazzaro, MD <i>Specular Microscopy</i>
2:30 - 2:50 pm	James J. Reidy, MD <i>MRSA Infections of the Eye and Ocular Adnexa: Diagnosis and Management</i>
2:50 - 3:10 pm	Pratap Challa, MD <i>Recent Advances in Glaucoma Surgery: Attempts to Replace the Trabeculectomy</i>
3:10 - 3:30 pm	Panel Discussion: Questions and Answers
