## “Community”

### 2012 Faculty Scholars Workshop Dinner

Joe Stein, PhD, *Pharmacology*, and Chair of the Faculty Educator Development Committee welcomes the attendees of the 2012 Faculty Scholars Workshop Dinner.

Jennifer Moffat, PhD, *Microbiology & Immunology* and Paula Trief, PhD, *Senior Associate Dean of Faculty Affairs & Development*, facilitate the workshop discussion.

The 2012 Faculty Scholars Workshop Dinner was held at the Crowne Plaza Hotel on June 19th and was attended by more than 40 people. The interactive workshop was titled “ Learning in Action: How to put active-learning strategies into lectures.”

## Honors and Awards

---

### ***Honors & Awards ~ Congratulations to:***

**Ann S. Botash, MD, *Pediatrics***, received the Congressional Victim's Rights Caucus Certificate of Recognition, U.S. House of Representatives, for her work with the McMahon Ryan Child Advocacy Center in child abuse prevention and treatment.

**Lynn Cleary, MD, *Medicine; Senior Associate Dean for Education; Vice President of Academic Affairs***, received the Laureate Award from the New York Chapter of the American College of Physicians at their Annual Scientific Meeting in Albany, NY on August 24, 2012. From the NYS ACP website: "The Laureate Award is a distinguished honor for select Fellows of the American College of Physicians in the New York Chapter who have demonstrated an outstanding commitment to excellence in medical care, education or research, and service to the community and the American College of Physicians. This award is the most prestigious honor bestowed to a chapter member at the state level."

**Christopher Fullagar, MD, *Emergency Medicine***, received the 2012 CNYEMS Educator of Excellence Award. It is given by the Central New York Regional Council for an "individual who through outstanding teaching, educational administration/coordination, publication or research has significantly improved prehospital services at the local, county, regional or state level." Presented July 17, 2012 at the CNYEMS REMSCO meeting.

**Brian Johnson, MD, *Psychiatry & Behavioral Sciences***, was just notified that he was honored as one of the most downloaded authors on Psychoanalytic Electronic Publishing in 2010.

**Brian Johnson, MD, *Psychiatry & Behavioral Sciences***, received the 2012 Leonard Tow Humanism in Medicine Award-Arnold P. Gold Foundation, "in recognition of exemplary compassion, competence and respect in the delivery of care", June 28, 2012.

**William F. Lavelle, MD, Nathaniel R. Ordway, MS, PE, Yushek Pun, BS, Stephen A. Albanese, MD, *Orthopedic Surgery***, received the James H. Beaty Scientific Poster Achievement Award from the Pediatric Orthopaedic Society of North America for the presentation of the outstanding Scientific Poster at the 2012 Annual Meeting entitled "Biomechanics of Direct Transverse Plane Vertebral Derotation at the Bone Screw Interface: Do Bicortical Pedicle Screws Make a Difference?"

**Ruth Weinstock, MD, *Medicine***, was awarded the prestigious rank of Distinguished Service Professor at the State University of New York (SUNY), awarded by the SUNY Board of Trustees, May 10, 2012.

## Honors and Awards

**The following faculty members have been selected for the “inaugural class” of the newly established Academy of Upstate Educators:**

**Kwame Amankwah, MD, *Surgery, COM***

**Dale Avers, PT, DPT, PhD, *Physical Therapy Education, CHP***

**Ann Botash, MD, *Pediatrics, COM***

**Margaret Maimone, PhD, *Cell & Developmental Biology, COM***

**Sue Miller, PT, DPT, MS, *Physical Therapy Education, CHP***

**Jennifer Moffat, PhD, *Microbiology & Immunology, COM***

**Carol Recker-Hughes, PT, PhD, *Physical Therapy Education, CHP***

**Margaret Wells, PhD, RN, APN-BC, *College of Nursing, CON***

They are a group of excellent educators who have demonstrated consistent leadership and innovation related to education. They will be honored at the Fall Faculty Convocation on September 19th. They are being recognized for their excellence, and have also agreed to commit valuable time to serve as consultants and mentors to our faculty as we all strive to become more effective educators.

\* \* \* \* \*

**The following faculty members are recipients of a 2012 President’s Award:**

**Joyce S. Baker, *Syracuse Community Health Center - CON***  
Outstanding Voluntary Faculty

**Mitchell V. Brodey, MD, *Private Practice- COM***  
Outstanding Voluntary Faculty

**Kerry Greene-Donnelly, MBA, RT (R) (M) (CT) (QM), *Medical Imaging Sciences - CHP*** Excellence in Teaching

**Roberto Izquierdo, MD, *Medicine & Pediatrics – COM***  
Excellence in Faculty Service

**Carol Anne Kozik, MS, RN, CNS, FNP - *College of Nursing***  
Excellence in Teaching

**Leann M. Lesperance, MD, PhD, *Pediatrics - Binghamton Campus***  
Excellence in Teaching

**Margaret M. Maimone, PhD, *Cell & Developmental Biology- COM/CGS***  
Excellence in Teaching

## Honors and Awards

**Anett Marcarian, BS, RT(T)**, *Upstate University Hospital - CHP*  
Outstanding Voluntary Faculty

**Golam Mohi, PhD**, *Pharmacology – COM/CGS*  
Excellence in Basic Research by a Young Investigator

**Ajoy K. Roy, MD**, *Gastroenterology Practice*  
Outstanding Voluntary Faculty

**Ashok R. Shah, MD**, *Guthrie Clinic, Sayre, PA - Binghamton Campus*  
Outstanding Voluntary Faculty

**Michael L. Vertino, MD**, *Neurology – COM*  
Excellence in Teaching

\* \* \* \* \*

**The following faculty members are recipients of a 2012 Chancellor's Award:**

**David C. Amberg, PhD**, *Biochemistry & Molecular Biology*  
Excellence in Scholarship and Creative Activities

**Dale Avers, DPT, PhD**, *Physical Therapy Education*  
Excellence in Teaching

**Richard M. O'Neill, PhD**, *Psychiatry & Behavioral Sciences*  
Excellence in Faculty Service

## Leadership In Service

---

### *Leadership in Service*

#### **National Leadership**

**Ann S. Botash, Pediatrics**, serves as a contributor and advisor to NACHRI (National Association of Children's Hospitals), *Defining the Children's Hospital Role in Child Maltreatment, Second Edition*, Fall 2011.

**Gennady Bratslavsky, MD, Chair, Urology**, is a Representative at Large from the United States to the Northeast Section of the American Urologic Association (AUA) Board of Directors.

## Service

**Amy T. Campbell, JD, MBE, *Bioethics and Humanities***, was Chair, Organizer, and Moderator of “Innovations in Health Law Teaching: Law and Medical School Collaboration,” at the 35<sup>th</sup> Annual Health Law Professors’ Conference, Tempe, AZ, June 2012.

**.Richard Cantor, MD, *Emergency Medicine***, was chosen by the Board of Directors of the American College of Emergency Physicians (ACEP) to serve on the following National ACEP Committees:

- Pediatric Emergency Medicine
- Education
- Publications
- Public Affairs

**Lynn Cleary, MD, *Medicine; Senior Associate Dean for Education; Vice President of Academic Affairs***, has been elected to the Board of Directors of Alpha Omega Alpha Honor Medical Society, the national honor society for medical students and physicians, for a three-year term (2012-15). Dr. Cleary will continue to serve as the Councilor of the Upstate Chapter of AOA. In 2011/12, Upstate AOA students provided almost 1000 hours of tutoring and review for undergraduate students. The chapter was established in 1911, and was the 16th chapter to be established in the country. There are now 133 chapters. The mission statement of AOA follows: "Alpha Omega Alpha — dedicated to the belief that in the profession of medicine we will improve care for all by

- recognizing high educational achievement
- honoring gifted teaching
- encouraging the development of leaders in academia and the community
- supporting the ideals of humanism
- promoting service to others."

**Robert Cooney, MD, Chair, *Surgery***, recently took office as President-Elect of the Shock Society during the Shock Society’s annual meeting June 9-13, 2012 in Miami Beach, Florida. During his one-year term from June 2013 to June 2014, Dr. Cooney will lead the society’s efforts to improve the care of victims of trauma, shock and sepsis. The society’s mission is to promote clinically relevant research and the dissemination of knowledge into the basic biology of trauma, shock and sepsis and promote the education and mentoring of the next generation of investigators in the area of shock, trauma and sepsis.

**Colin Leech, PhD, *Medicine***, Served on the NIH ZRG1 EMNR-S study section for small business grants.

**Linda E. Miller, PhD, *Clinical Laboratory Science – CHP***, was appointed as an Assistant Editor for *Lab Medicine*.

**Richard Veenstra, PhD, *Pharmacology***, served as Co-Chair of the Spring 2012 Cardiac Electrophysiology II Review Panel of the American Heart Association.

## Service

---

### State and Local Leadership

**Joseph Domachowske, MD, Pediatrics**, was asked to serve as Co-Chair for the NYSDOH task force on the Prevention of HIV, STIs and vaccine preventable infections, Albany, NY, May 2012.

**Wanda Fremont, MD, Terri Hargrave, MD MPH, Julie Aspenleiter, PsyD, George Blakeslee, MCSW Psychiatry; Melissa Arthur, PhD and Diane Ojugbeli, Family Practice** and **Mary DiGuardi, MD Pediatrics- Binghamton**, represented Central New York at the Child and Adolescent Psychiatry for Primary Care planning and evaluation meeting in Ithaca this July.

**David M. Landsberg, MD, Medicine**, has been appointed Chief of Medicine at Crouse Hospital.

---

### University Leadership

**Amy T. Campbell, JD, MBE, Bioethics & Humanities**, was chosen to give the Commencement Address to the College of Graduate Studies Class of 2012, SUNY Upstate Medical University, Syracuse, NY.

**Richard Cantor, MD, Emergency Medicine**, was chosen to serve as the Keynote Speaker at the 2012 Upstate Medical University Gamma Chapter of the national Alpha Omega Alpha Medical Honor Society Annual Induction Dinner May 2012.

---

### Leadership in Education

**Derek Cooney, MD, FACEP, Emergency Medicine**, served again as Course Director, for the 2012 Annual EMS Symposium. This year the EMS education program was a cooperative offering by SUNY Upstate Medical University Hospital, St. Joseph's Hospital Health System, and Crouse Irving Memorial Hospital. The program was attended by 131 participants on May 21<sup>st</sup>, 2012, and received excellent reviews.

**Teresa Hargrave, MD, MPH Psychiatry & Behavioral Sciences**, assisted Drs James Wallace and Michael Scharf, University of Rochester Psychiatry, in presenting Dr. Peter Jensen's innovative "REACH" curriculum which seeks to empower primary care clinicians to better assess and manage mild to moderate mental health problems in children and adolescents in their practices. The training is part of the CAPPC (Child and Adolescent Psychiatry for Primary Care) initiative, administered by David Kaye, MD, Psychiatry & Behavioral Health SUNY Buffalo, funded by OMH, which is designed to serve 80% of New York state's youth under the age of 22. 23 pediatricians, family practitioners, nurse practitioners and child psychiatry fellows from the Rochester area of Central New York participated in the 3-day workshop in July 2012.

## Leadership in Education

## Leadership in Education

**Joshua Steinberg MD, Family Medicine,**  
*Binghamton Clinical Campus & Wilson Family Practice Residency:*

### *Point-of-Care software applications for education and practice*

Joshua Steinberg MD has formed a collaborative project with the SUNY Binghamton Dept Computer Science to produce iPhone software applications on medical topics. These free evidence-based apps are written specifically for students, residents, and clinicians as well as other members of the healthcare team in order to both educate and elevate clinical practice. We have surpassed 100,000 downloads worldwide, and wish to announce our latest offerings.

**Pap Guide:** this app pulls together and presents the latest guidance on screening for cervical cancer from the 2012 ASCCP consensus guidelines and others. It provides guidance on whom to screen, screening techniques, screening intervals, how to act on the results, and circumstances which impact screening.  
<http://itunes.apple.com/us/app/pap-guide/id527069781?mt=8>

**Lead Screen Guide:** this app presents the latest New York State Dept. of Health guidelines on screening and managing childhood lead exposure. It covers who to screen, when, what technique, how to manage results, how to follow up elevated lead levels, and offers links to more resources including NYS Regional Lead Resource Centers. It is a collaboration with the Broome County Dept. of Health.  
<http://itunes.apple.com/us/app/lead-screen-guide/id527071185?mt=8>

**PFT eval:** this app walks a student, resident, or clinician through the evaluation of pulmonary function test reports so as to arrive at ventilatory patterns and differential diagnoses. <http://itunes.apple.com/us/app/pft-eval/id527073707?mt=8>

## Grants

### ***Grants Awarded***

**Ann S. Botash MD, Pediatrics, PI**  
NYS Department of Health

Child Abuse Medical Provider Program to improve NYS medical provider response to suspected child abuse through educational webcasts, websites: CHAMPprogram.com and ChildAbuseMD.com, online course work and face-to-face mentorships

7/12 – 6/13

\$75,000

## Grants

**Ann S. Botash, MD, *Pediatrics*, PI**  
NYS Office of Children and Family Services  
Child Fatality Review Team to coordinate Onondaga County reviews of childhood deaths and determine needs for education and prevention  
2/12 – 1/13  
\$ 52,000

**Peter D. Calvert, PhD, *Ophthalmology*, PI**  
Fight for Sight, Inc.  
Mechanism of Ciliary Proteins in Live Photoreceptors  
7/12 – 6/13  
\$20,000

**Sandra Hayes, PhD, *Microbiology & Immunology*, PI**  
NIH-National Institute on Allergy & Infectious Disease  
Blk as a Master Regulator of Marginal Zone B Cell Development and Activation  
7/12 – 9/13  
\$468,625

**Hong Lu, PhD, *Pharmacology*, PI**  
NCI – National Cancer Institute  
G-Quadruplex in Translational Regulation and Cancer Therapy  
7/12 – 6/13  
\$438,625

**George Holtz, PhD, *Medicine*, PI**  
ADA – American Diabetes Foundation  
Role of cAMP Sensor Epac2 in Islet Insulin Secretion  
7/12 – 6/13  
\$345,000 projected

**George Holtz, PhD, *Medicine*, PI**  
SU Sub Award with Syracuse University  
Using Vitamin B-12 for the Oral/Buccal Delivery of Peptide Tyrosine  
8/12 - 6/13  
\$30,000

**Christopher Turner, PhD, *Cell & Developmental Biology*, PI**  
NIH-National Cancer Institute  
Paxillin and Hic-5 in Coordination of Cancer Cell Invasion Mechanisms  
5/12 – 3/13  
\$1,654,815

## Presentations

---

### *Presentations*

#### **International**

**Ann Barker-Griffith, MD, Ophthalmology,** presented "Delleman Syndrome" at the Verhoeff-Zimmerman Society Meeting held in Kona, Hawaii, April 2012.

## Presentations

**Ann Barker-Griffith, MD, Ophthalmology**, coordinated the scientific sessions at "A Symposium on Diving Medicine", joint sponsorship of SUNY Upstate Medical University and the International Society of Aquatic Medicine, in Bonaire, Netherlands, May 2012.

**Gennady Bratslavsky, MD, Chair, Urology**, presented "The Therapy of Metastatic RCC", Small Renal Mass panel at the Friends of Israel Urological Symposium, Tel Aviv, Israel, July 3-5, 2012.

**Gennady Bratslavsky, MD, Chair, Urology**, presented "Partial Nephrectomy for Large Renal Masses: Looking Beyond Renal Insufficiency" at Soroka UMC, Ben Gurion University, Beer Sheva, Israel, July 2, 2012.

**Peter D. Calvert, PhD, Ophthalmology**, presented "Interplay Between Steric Volume Exclusion and Posttranslational Lipidation in Setting Protein Concentrations in Photoreceptor Sensory Cilia," at the 2012 ARVO Annual Meeting, Ft. Lauderdale, FL, May 2012.

**Richard Cantor, MD, Emergency Medicine & Pediatrics**, presented "Core Management Concepts in Pediatric Emergency Medicine" at the Sixth Dutch North Sea Emergency Medicine Conference, Amsterdam, Netherlands, May 31- June 1, 2012.

**Richard Cantor, MD, Emergency Medicine & Pediatrics**, presented "Pediatric Emergency Medicine Literature Review" and "Mistakes You Don't Want to Make in Pediatric Patients" at the International Conference on Emergency Medicine (ICEM), Dublin, Ireland, June 2012.

**Joseph B Domachowske, MD, Pediatrics**, presented "Immunogenicity and Safety of a Candidate Quadrivalent Inactivated Vaccine Against Seasonal Influenza in Children: A Randomized Controlled Study" at the Influenza Vaccines for the World Conference, Valencia, Spain, June 2012.

**Stephen V. Faraone, PhD, Psychiatry & Behavioral Sciences**, presented "How to Find New Genes for Childhood Disorders", Invited Plenary Presentation, International Eunethydis Conference, Barcelona, Spain, May 2012.

**Stephen V. Faraone, PhD, Psychiatry & Behavioral Sciences**, presented "Advances in Understanding the Etiology of Attention Deficit Hyperactivity Disorder", Invited Keynote Presentation, XIV Curso Internacional de Actualizacion en Neuropediatria y Neuropsicologia Infantil, Valencia, Spain, March 2012.

**Brian Johnson, MD, Psychiatry & Behavioral Sciences**, presented "The Id in Addictive Illness," at Bilgi University, Istanbul, June 2012.

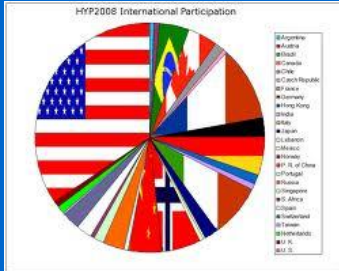

**Brian Johnson, MD, Psychiatry & Behavioral Sciences**, presented "A Metapsychology of Endogenous Opioid Function," at the 13<sup>th</sup> Europsychoanalysis Congress, Athens, Greece, June 2012.

## Presentations

**Bill Kerr, PhD, Iyer S, Margulies BS, PhD, *Microbiology & Immunology***, presented “The Registration of Osteogenesis by SHIP1” at the 2012 Annual Orthopaedic Research Society Meeting, San Francisco, CA, February 2012.

**Carol Anne Kozik, CAS, MS, RN-BC, *College of Nursing***, presented “Changing the Game: Applying Change Strategies to Improve Quality and Safety” at the Meditech Users Software Exchange International Conference, in Orlando, FL, May 2012.

**Ken Mann, PhD, Miller MA, *Orthopedic Surgery***, presented “Could Fluid Flow/Pressure Cause Trabecular Bone Resorption at the Implant-Bone Interface” at the 2012 Annual Orthopaedic Research Society Meeting, San Francisco, CA, February 2012.

**Frederick Werner, MME, *Orthopedic Surgery***, presented “Four Corner Fusion and Proximal Row Carpectomy: A Biomechanical Comparison of Contact Pressures, Range of Motion and Tendon Forces” and “Biomechanics of the Distal Radius and the Distal Radioulnar Joint” at the 8<sup>th</sup> Triennial International Hand and Wrist Biomechanics Symposium, Yokohama, Japan, April 2012.

**Frederick Werner, MME, *Orthopedic Surgery***, presented “Biomechanics of the Wrist Joint” at the National Cheng Kung University, Tainan, Taiwan, April 2012.

---

## National

**Jerrold L. Abraham, MD, *Pathology***, co-chaired the scientific symposium " Idiopathic Interstitial Pneumonias/Pulmonary Fibrosis: Is 'Idiopathic' Truly 'Idiopathic'?" and "Examples of the Role of Pathologists in Examining Lung Tissue for Potential Environmental Cause(s) Before Labeling Pulmonary Fibrosis as ‘Idiopathic’” at the American Thoracic Society meeting, San Francisco, CA, May 2012.

**Richard Cantor, MD, *Emergency Medicine & Pediatrics***, presented “Pediatric Emergency Medicine Literature Review”, “Mistakes You Don’t Want to Make in Pediatric Patients”, “Chief Complaints in the First 30 Days of Life”, and “Toxicological Conundrums” at the Hot Topics in Pediatric Emergencies Conference, Juneau, Alaska, July 27 – Aug. 3, 2012.

**Michael Cosgrove, PhD *Biochemistry & Molecular Biology***, presented “Heroes, Heroines and Villains: Exploring the Mythology of a Single Epigenetic Mark: Histone H3 lysine 4 Methylation” at Pennsylvania State University, Carlisle, PA, Jan 2012.

---

## Presentations

**Timothy Damron, MD**, *Orthopedic Surgery*, presented “Hedgehog Pathway as the Target in Rhabdomyosarcoma with Gli1 Gene Amplification” at the 2012 Annual Orthopaedic Research Society Meeting, San Francisco, CA, February 2012.

**Paul A. Granato, PhD**, *Pathology*, presented the Group B Streptococcus: Neonatal Pathogen and Screening Guidelines for Its Laboratory Diagnosis and Prevention” at the Yankee Alliance Conference, Worcester, MA, March 2012.

**Carol Anne Kozik, CAS, MS, RN-BC**, *College of Nursing*, presented “Engaging Dynamic Learning” at the National Nurses Staff Development Organization National Conference in Boston, MA, July 2012.

**Peter Mariani MD**, *Emergency Medicine*, presented “Clinician-Performed Point-of-Care Ultrasound in Hyperbaric & Wound Care Practice” at the Undersea & Hyperbaric Medical Society annual scientific meeting, Phoenix AZ, June 2012.

**Joseph A Spadaro, PhD**, *Orthopedic Surgery*, presented “Disuse Osteopenia of the Forearm: More Questions Than Answers” at the 2012 New England Bone Club Meeting, Portsmouth, NH, March 2012.

**Frederick Werner, MME**, *Orthopedic Surgery*, presented “Aggressive Total Knee Replacement Loading Profiles – Compared to ISO 14243 Load Control Testing Profile” at the American Society for Testing and Materials Meeting, Phoenix, AZ, May 2012.

**Ruth Weinstock, MD, PhD**, *Medicine*, and **Paula Trief, PhD**, *Psychiatry*, presented “Weight Loss for Metabolic Syndrome in Primary Care: Results from the SHINE Telephone Translation of the Diabetes Prevention Program (DPP)” at the American Diabetes Association 72<sup>nd</sup> Scientific Sessions, Philadelphia, PA, June 2012.

**Ruth Weinstock, MD, PhD**, *Medicine*, presented “Adult Sample with Youth-Onset Type 1 Diabetes – Lessons for the Young and Older” at the American Diabetes Association 72<sup>nd</sup> Scientific Sessions, Philadelphia, June 2012.

---

## State & Local

**Ann S. Botash, MD**, *Pediatrics*, presented “Calciferol Deficiency Mimicking Abusive Fractures in Infants: A Fractured Fairy Tale” for the Bruce Bogard, MD Lectureship, Steven and Alexandra Cohen Children’s Medical Center of New York (North Shore-LIJ Health System), New Hyde Park, NY, May 4, 2012.

## Presentations

**Amy T. Campbell, JD, MBE, *Bioethics & Humanities***, presented “How Ethical Dilemmas Arise in Psychiatric Detention Settings (and What You Can Do About Them),” at the Central New York Psychiatric Center (staff-wide), Marcy, NY, May 2012.

**Amy T. Campbell, JD, MBE, *Bioethics & Humanities***, presented “Informing Child Welfare Policy with Best Practices,” at the Summer Summit for Professionals Responsible for Children and Families at Risk for Abuse, Neglect & Maltreatment, sponsored by the Department of Child & Family Studies at Syracuse University, Syracuse, NY, July 2012.

**Gennady Bratslavsky, MD, Chair, *Urology***, presented “Adrenal Sparing Surgery: Indications, Techniques, and Outcomes” at the Roswell Park Cancer Institute, Buffalo NY, June 7, 2012.

**Derek Cooney, MD, *Emergency Medicine***, presented “Keynote Address: EMS as a Profession.” Guest Speaker at the 2012 Oswego County EMS Annual Awards, June 2012.

**Derek Cooney, MD, *Emergency Medicine***, presented “EMS Current Affairs.” at the annual EMS conference, EMS Symposium 2012, Syracuse, NY, May 2012.

**Derek Cooney, MD, *Emergency Medicine***, presented “Advanced Prehospital Airway Management” and “Controversies in Prehospital Airway Management” at the annual EMS Teaching Day for Oswego County Ambulance (Mentor) hosted at the Joint Information Center in Fulton, NY, April 2012.

**Timothy Damron, MD, *Orthopedic Surgery***, presented “Post-radiation Fractures in the Setting of Soft-Tissue Sarcoma Treatment” at the Department of Orthopedic Surgery 32<sup>nd</sup> Annual Alumni Day, Syracuse, NY, June 2012.

**Joseph B Domachowske, MD, *Pediatrics***, presented “Vaccine Hesitancy and Refusal” at the AAP District II meeting, Cooperstown NY, July 2012.

**Joseph B Domachowske, MD, *Pediatrics***, presented “Vaccines: Re-emergence of VPD” at the Western NY Pediatric, Adolescent & Adult Immunization Coalitions 6<sup>th</sup> Annual Immunization Conference in Buffalo, NY, May 2012.

**William Lavelle, MD, *Orthopedic Surgery***, presented “Comparison of 3D Volume Assessment of Lumbar Stenosis and Functional Outcome Scores” and “Comparison of Segmental Cross-Sectional Area of Dural Sac Versus Validated Patient Functional Outcome Scores” at the Department of Orthopedic Surgery 32<sup>nd</sup> Annual Alumni Day, Syracuse, NY, June 2012.

**Ken Mann, PhD, *Orthopedic Surgery***, presented “Moving From the Benchtop: Fixation Following in Vivo Service” at Arthroplasty Conference, Hospital for Special Surgery, New York, NY February 2012.

---

## Presentations

**Kenneth Mann, PhD, Orthopedic Surgery**, presented “Could Fluid Flow/Pressure Cause Bone Resorption at Implant-Bone Interface?” at the Department of Orthopedic Surgery 32<sup>nd</sup> Annual Alumni Day, Syracuse, NY, June 2012.

**Ken Mann, PhD, Orthopedic Surgery**, presented “Micromechanics and Mechanisms of Implant Loosening” at Department of Biomechanics, Hospital for Special Surgery, New York, NY, February 2012.

**Bryan Margulies, PhD, Orthopedic Surgery**, presented “SHIP1 Regulates Osteogenesis Not Osteoclast Activity” at the Department of Orthopedic Surgery 32<sup>nd</sup> Annual Alumni Day, Syracuse, NY, June 2012.

**Megan Oest, PhD, Orthopedic Surgery**, presented “Osteoclast Activity Increases Early Following Localized Bone Irradiation” at the Department of Orthopedic Surgery 32<sup>nd</sup> Annual Alumni Day, Syracuse, NY, June 2012.

**Joseph Spadaro, PhD, Orthopedic Surgery**, presented “Does Vibrational Loading Modulate the Effects of Radiotherapy on Growing Bone?” and “Early Dynamic Responses of Mature Bone to Radiation Exposure in a Rodent Model” at the Department of Orthopedic Surgery 32<sup>nd</sup> Annual Alumni Day, Syracuse, NY, June 2012.

**Frederick Werner, MME, Orthopedic Surgery**, presented “Scaphoid Excision and Midcarpal Fusion: The Effect of Triquetral Excision – A Biomechanical Study” at the Department of Orthopedic Surgery 32<sup>nd</sup> Annual Alumni Day, Syracuse, NY, June 2012.

---

## Community

**Joseph B Domachowske, MD, Pediatrics**, presented “Parasitic Diseases of Central America” at the Young Life Conference, Syracuse, NY, February 2012.

**Brian Johnson, MD, Psychiatry & Behavioral Sciences**, presented “Pain Management: Insights from an Innovative Service,” at U.S. Army, Fort Drum, NY, June 2012.

**Brian Johnson, MD, Psychiatry & Behavioral Sciences**, was interviewed by Jim Reith of WCNV Public Television on Failed Back Surgery Syndrome and Opioid Dependence, aired July 2012.

**William F Lavelle, MD, Orthopedic Surgery**, presented “Scoliosis and Curvature of the Spine” for Upstate’s HealthLink Seminar Series, East Syracuse, NY, Jan. 2012.

---

## Presentations

**William F Lavelle, MD, Orthopedic Surgery**, presented “Lower Back Pain & Spinal Stenosis” for Upstate’s HealthLink Seminar Series at Skaneateles, NY, July 2012.

**Josh Pletka, MD, Orthopedic Surgery**, presented “Shoulder Pain: A Pain the Neck?” for Upstate’s HealthLink Seminar Series at Skaneateles, NY, July 2012.

**Josh Pletka, MD, Orthopedic Surgery**, presented “Common Causes of Wrist Pain – Problems and Treatment” for Upstate’s HealthLink Seminar Series at Marcellus, NY, Aug. 2012.

---

## Promotions

---

### Promotions

**Eric Deshaies, MD, Neurosurgery**, was promoted to Associate Professor, July 2012

**Stephen Glatt, PhD, Psychiatry & Behavioral Sciences**, was promoted to Associate Professor with Tenure, July 2012

**Fenghua Li, MD, Anesthesiology**, was promoted to Associate Professor, July 2012

**Russell Matthews, PhD, Neuroscience & Physiology**, was promoted to Associate Professor with Tenure, July 2012

**Golam Mohi, PhD, Pharmacology**, was promoted to Associate Professor with Tenure, July 2012

**Richard Tallarico, MD, Orthopedic Surgery**, was promoted to Associate Professor, July 2012

---

## New Faculty

---

### New Faculty

**Ravi Adhikary, MD**, Assistant Professor, *Radiology*

Dr. Adhikary received his medical degree from Temple University School of Medicine and completed his residency at the University of Texas Medical Branch. He pursued additional training in breast imaging also at the University of Texas.

**Andrew Bauliah, MD**, Assistant Professor, *Medicine*

Dr. Bauliah received his medical degree from Kilpauk Medical College in India and completed his residency at Rochester General Hospital.

## New Faculty

**Charles Beaudette, MD**, Instructor, *Emergency Medicine*

Dr. Beaudette received his medical degree from Eastern Virginia Medical School and completed his residency here at SUNY Upstate Medical University.

**Brian Changlai, MD**, Instructor, *Medicine*

Dr. Changlai received his medical degree from St. George's University School of Medicine in Grenada and completed his residency here at SUNY Upstate Medical University.

**James Demer, MD**, Assistant Professor, *Psychiatry & Behavioral Sciences*

Dr. Demer received his medical degree from SUNY Upstate Medical University. He has served in the US Army, joins us from Hutchings Psychiatric Center and has been a member of our voluntary faculty.

**Mandeep Dhaliwal, MD**, Assistant Professor, *Emergency Medicine*

Dr. Dhaliwal received her medical degree from St. George's University School of Medicine in Grenada and completed her residency here at SUNY Upstate Medical University.

**Anne Ferrari, MLS**, Senior Assistant Librarian, *Health Sciences Library*

Ms. Ferrari has obtained two Master's degrees; in Library Science from the University of Pittsburgh and in International Education from American University. Prior to joining Upstate, she was an Adjunct Librarian for the Community College of Allegheny County. For many years, she was a Health Sciences Librarian at Jefferson Regional Medical Center.

**Mariah Fisher, MD**, Assistant Professor, *Surgery*

Dr. Fisher received her medical degree from, and completed her residency here at, SUNY Upstate Medical University.

**Kimberly Gilbert, MD**, Assistant Professor, *Medicine*

Dr. Gilbert received her medical degree from SUNY Upstate Medical University and completed her residency at Robert Wood Johnson University Hospital. She pursued additional training in nephrology at Vanderbilt University Medical Center. She also recently completed a National Kidney Research Fellowship also at Vanderbilt.

**Shahram Izadyar, MD**, Assistant Professor, *Neurology*

Dr. Izadyar received his medical degree from Tehran University of Medical Sciences in Iran and completed his residency at Baylor College of Medicine. He pursued additional training in clinical neurophysiology at both Baylor College and the Cleveland Clinic.

**Savio John, MD**, Assistant Professor, *Medicine*

Dr. John received his medical degree from St. John's Medical College in India and completed his residency here at SUNY Upstate Medical University. He pursued additional training here at Upstate in gastroenterology.

## New Faculty

**Paul Johnson, PhD, MT (ASCP)**, Assistant Professor, *CHP - Clinical Laboratory Science*

Dr. Johnson earned his PhD in biochemistry & molecular biology from the University of Louisville. He is board certified as a Medical Technologist - MT (ASCP) and Clinical Laboratory Scientist - CLS (NCA). Prior to joining Upstate, Dr. Johnson worked for Boston Heart Diagnostics as a Clinical Laboratory Manager. He also worked for Northwestern Memorial Hospital as a Medical Technologist.

**Thomas LaClair, MD**, Assistant Professor, *Family Medicine*

Dr. LaClair received his medical degree from SUNY Upstate Medical University and completed his residency at St. Joseph's Hospital. He has been in private practice and a member of our voluntary faculty.

**Matthew McDonald, DO**, Assistant Professor, *Surgery*

## Faculty Development Website Calendar

# Faculty Development - Website Calendar

~ For more information on all upcoming events, please visit the Faculty Affairs Website "Events Calendar"

Be Sure to Visit our "Events Calendar" on the Faculty Affairs & Faculty Development Website

To access the calendar, simply go to the home page of "**faculty affairs and faculty development**" <http://www.upstate.edu/facultydev/> and then click on the "**Events Calendar**" in **dark blue** (on the left side of our home page).

Once you have accessed the calendar, you will see various events posted that might be of interest to you and/or members of your department. **To obtain more information, simply click on the event.** You will see titles, presenters, times, locations, contact information, etc.

Please Note: these events have been copied to Upstate's main website calendar as well. (Accessed from the top of the Upstate home page.)

## Notes & Corrections

### Notes & Corrections:

Please Note:

1. In an effort to keep the Faculty Commons manageable, we will be concentrating on external presentations and service.
2. Please remember – we do not include any publications, books, book chapters, etc. that are currently "**in press**". Please wait until you have publication information before you include these submissions

## Contact Us

*"I represent our Office of Faculty Affairs, and my staff and I are committed to developing the potential of new faculty and see them succeed and thrive". Please feel free to call or email for more information:*

Paula M. Trief, PhD  
Senior Associate Dean  
Faculty Affairs & Faculty Development  
Professor, Departments of Psychiatry & Medicine  
Phone: 315 464-1681  
triefp@upstate.edu
