

## Where to recycle your new light bulb?

Residents that have old fluorescent bulbs hanging around the house don't have to wait until OCRRA's next [Household Hazardous Waste Day](#) to dispose of them properly! Now you have several options:

- 1) Bring them to a participating [Home Depot](#) or [Lowe's](#) store (CFLs only. Click [here](#) for more info).
- 2) Bring them to any of the following [hardware stores](#) where they will be recycled. OCRRA makes this free disposal option available to all households in the Onondaga County:

**Partnering with OCRRA in this service are the following local hardware stores:**
