This Benefits Quick Reference Guide provides you an at-a-glance view of your comprehensive benefits package, which includes health care coverage, dental and vision benefits, income protection if you become disabled, and even special benefits that can help you save money on expenses related to your work commute. For detailed information about your RF benefits, refer to the Benefits Handbook for Graduate Student Employees or log on to the RF Benefits Website at www.rfsuny.org/benefits any time 24 hours a day, 7 days a week. On the site you’ll find everything you need to know about your benefits, including handbooks, forms and helpful contact information.

Eligibility
A graduate student employed by the Research Foundation in an RF student title who is receiving an annual salary of at least $4,293, and who is appointed to a position for which funds are anticipated to be available for a period of at least one semester; or a post-doctoral fellow of the RF receiving an annual stipend of at least $4,293 is eligible for health care, dental and vision coverage. International SUNY graduate students can be eligible for the plan if they hold an F-visa or J-visa.

Who Is an Eligible Dependent?
Your eligible dependents may include a spouse, domestic partner or child up to age 26. These dependents are eligible for Health, Dental and Vision Care.

Eligibility During the Summer
You do not need to be in active pay status to continue coverage under the Graduate Student Employee Health Plan during the summer period; however, you must have been covered by the plan during the preceding semester, be expected to be reappointed in the fall, and pre-pay your entire share of the employee premium for the summer period.

Benefits Continuation
You can continue your health care, dental and vision coverage for a limited time after you are no longer on the RF’s payroll. You must continue to pay any required premiums during the continuation period, and there are limits to how long you can continue your benefits coverage. For more information about COBRA continuation, refer to the Graduate Student Employee Health Plan Summary Plan Description. You may also be able to purchase less expensive coverage through the national Health Insurance Marketplace. Refer to www.healthcare.gov for more information.
Health Care

The RF’s Graduate Student Employee Health Plan (GSEHP) provides hospital, medical and prescription drug benefits for you and your eligible dependents. The provider network for hospital and medical care is offered through POMCO and other provider networks, and includes student health centers. Prescription drug benefits are administered by Express Scripts.

This plan gives you the flexibility to visit any health care providers you choose, but visiting in-network providers can save you money and the time associated with filing claims for reimbursement. For most types of care received in-network, you pay only a copayment at the time you receive services. Preventive care services have no copayment.

Eligibility

A graduate student employee of the RF receiving an annual salary of at least $4,293 or a scholar receiving a fellowship stipend of at least $4,293.

When Coverage Begins

On the day you are hired or your first day of eligible employment, if you choose to enroll.

How You and the RF Share the Cost

The RF pays 90 percent of the cost for individual coverage and 75 percent of the cost for dependent coverage. You pay the balance through biweekly payroll deductions. You also are responsible for paying any copayments and coinsurance at the time you receive services. Fellows pay the full cost for individual and dependent coverage.

How to Enroll

You can enroll through Self Service (www.rfsuny.org/selfservice) within 45 days of your employment or otherwise becoming eligible, and annually during Open Enrollment.

You will have a choice of individual, individual + one, or family coverage. You will need to list your covered dependents.

If you are unable to enroll online, download the Health Plan Enrollment form from the RF Benefits Website (www.rfsuny.org/benefits), complete and return it to your campus Benefits Office.

Health Insurance Marketplace

You have the option to evaluate and consider whether coverage through the national Health Insurance Marketplace (www.healthcare.gov) will better meet your health care needs. Since you are eligible for the GSEHP as a graduate student employee, it is unlikely that the Marketplace will offer you a better plan. However, you should visit the site to learn more, and decide for yourself.

Dental Care

Participation in the Dental Care plan is automatic when you enroll in the GSEHP. The plan is offered through Delta Dental and provides you and your eligible dependents coverage for preventive services (exams and cleanings), basic services (fillings), major services (dentures and bridges) and orthodontics. In the Dental Care plan, you have the freedom to visit any licensed dentist, but your costs are usually lowest when you see a dentist in the plan’s network. Delta Dental dentists will also file claim forms for you and accept payment directly from the plan. Nonparticipating providers will submit a claim to Delta Dental, which will reimburse you according to the plan’s benefits. You may have to pay for the services first.

How You and the RF Share the Cost

Fellows pay the full cost for individual and dependent coverage. You also are responsible for paying any copayments and coinsurance at the time you receive services.

How to Enroll

Enrollment is automatic when you enroll in the Health Care plan.
Vision Care
When you enroll in the GSEHP, you will automatically be enrolled in the Vision Care plan. This plan provides quality vision care services and products at a reasonable cost. The plan is administered by Davis Vision, Inc., and covers the full cost of an eye examination, lenses and frames from the plan selection once in a 12-month period. Contact lenses (in the plan collection) can be selected in lieu of eyeglasses. You receive a discount on your cost above the plan’s allowance: 20 percent for frames and lenses and 15 percent for contact lenses. If you use a provider outside of the plan’s network, the benefits will be much lower, based on a fixed-dollar schedule. Visionworks are in-network retail locations in the state of New York.
