

Mission

To improve the health of the communities we serve through education, biomedical research and health care.

Vision

To be the leading regionalized academic medical center in the nation.

Values

We drive innovation and discovery
by empowering our university family
to bring forth new ideas and to ensure quality.

We respect people
by treating all with grace and dignity
and embracing diversity.

We serve our community
by living our mission.

We value integrity
by being open and honest
to build trust and teamwork.
