

Welcome to SUNY Upstate Medical University. As an employee of the Research Foundation for SUNY at Upstate, you will be offered a very competitive set of benefits which are among the best in the greater Central New York area. Some of the valuable benefits include:

- Excellent health, dental and vision insurance
- Flexible Spending Account Program
- Employer-paid life and optional insurance benefit
- Employer-paid long term disability

You will be required to enroll in a benefits program on-line via the Research Foundation Central Office web site Employee Self-Service link. Access and log-in information is explained in greater detail in the attached *Guide to Employee Self-Service*. As a first time user, you will need to set up your Self-Service Research Foundation User account (which differs from your Upstate self-serve account) after you receive a "Welcome" e-mail which will include a link to the Research Foundation Self-Serve portal. To establish your access to the Research Foundation Self-Service portal, you will need a user name which will be your RF ID number (which differs from your SUNY Upstate ID number which is found on your ID badge) that is located on your pay stub and will be provided in the "Welcome" e-mail.

You should receive this initial e-mail from the RF approximately 2-3 weeks from your start date. **It is very important that after you receive this e-mail that you go to the RF web site Portal to enroll in your benefits immediately to avoid any lapse in coverage (i.e. health insurance after waiting period). If for some reason you do not receive this e-mail within this time frame, please contact Susan Gasiorowski at 464-4945. Please note if you fail to enroll in your benefits in a timely manner such will delay your coverage.**

We wish you a successful and fulfilling career with the Research Foundation for SUNY at Upstate.
