

Time	Event	Location
8-9 AM	Breakfast & Conference Registration	4414 A
9-9:30 AM	Welcome to Upstate <i>Julio Licinio, MD, PhD</i> SUNY Upstate Medical University Senior Vice President for Academic Health Affairs and Executive Dean; Dean of the College of Medicine; Professor in Departments of Psychiatry, Pharmacology, and Medicine	4414 B/C
9:30-10 AM	Welcome to mTOR: a Central Pathway to Autoimmunity, Inflammation, Cancer, Obesity, and Aging? Andras Perl, MD, PHD <i>SUNY Upstate Medical University</i> Co-Director, MD/PhD Program; Distinguished Professor of Medicine; Professor of Biochemistry and Molecular Biology; Professor of Microbiology and Immunology; Division Chief of Rheumatology	4414 B/C
10-11:30 AM	Student Speakers and Data Blitz Sections	4414 B/C
10-10:20 AM	Speaker Nadav Weinstock, University at Buffalo; PhD5 <i>Elucidating cellular autonomy in peripheral Globoid Cell Leukodystrophy</i>	4414 B/C
10:20-10:25 AM	Data Blitz Rohith Palli, University of Rochester; PhD3 <i>BONITA: Boolean Omics Network Invariant-Time Analysis for rule inference and pathway analysis</i>	4414 B/C
10:25-10:30 AM	Data Blitz Aaron Altman, Upstate; PhD4 <i>HCMV Induction of Early Autophagy Drives Survival of Infected Monocytes Through Modulation of Necroptosis</i>	4414 B/C
10:30-10:50 AM	Speaker Dawling Dionisio-Santos, University of Rochester; PhD4 <i>Ameliorating Alzheimer's Disease tau pathology through immunomodulation: A novel role for glatiramer acetate</i>	4414 B/C
10:50-10:55 AM	Data Blitz Mary Gallo, University at Buffalo; MS3 <i>Regulation of IgA Protease Expression in Nontypeable Haemophilus influenza During Persistence in Chronic Obstructive Pulmonary Disease</i>	4414 B/C
10:55-11:00 AM	Data Blitz Rebecca Sager, Upstate; MS3 <i>Sporadic renal angiomyolipoma in a patient with Birt-Hogg-Dubé</i>	4414 B/C

11:00-11:20 AM	<p style="text-align: right;">Speaker</p> <p style="text-align: center;">Liam Coyne, Upstate; PhD3 <i>Clinically relevant mitochondrial proteostasis stress induces cytosolic aggresome formation</i></p>	4414 B/C
11:20-11:25 AM	<p style="text-align: right;">Data Blitz</p> <p style="text-align: center;">Andrew Smith, University of Rochester; PhD4 <i>Updating the Master Donor Virus of the Live Attenuated Influenza Vaccine to Reflect Currently Circulating Subtypes</i></p>	4414 B/C
11:25-11:30 AM	<p style="text-align: right;">Data Blitz</p> <p style="text-align: center;">Eric Irons, University at Buffalo; PhD3 <i>The Sialyltransferase ST6Gal-1 Directs Early Life Gut Microbial Colonization and Mucosal Immune Cell Polarization</i></p>	4414 B/C
11:30-11:45 AM	<p>What We Can do With Data</p> <p>Daniel Tylee, MS4</p>	4414 B/C
11:45-12:45 PM	Lunch	4414 A
12:45-1:30 PM	Poster Presentations	4414 B/C
1:30-3:30 PM	Workshops	
1:30-2:30 PM	<p style="text-align: right;">Science Advocacy</p> <p style="text-align: center;">Steven Hanes, PhD Thomas Duncan, PhD Christopher Morley, PhD</p>	4414 B/C
1:30-2:30 PM	<p style="text-align: right;">Translational Collaborations</p> <p style="text-align: center;">Karen Albright, MPH, DO, PhD</p>	1143
1:30-2:30 PM	<p style="text-align: center;">In Industry: Lessons from the Bench and Boardroom</p> <p style="text-align: center;">Adam Blanden, MS3</p>	1144
1:30-2:30 PM	<p style="text-align: right;">Grant Writing</p> <p style="text-align: center;">Patricia Kane, PhD Marc Halterman, MD, PhD Liam Coyne, PhD3 Nick Huang, PhD3 Rohith Palli, PhD 3 Chelsey Reed, PhD 3</p>	2244
2:30-3:30 PM	<p style="text-align: right;">Science Advocacy</p> <p style="text-align: center;">Steven Hanes, PhD Thomas Duncan, PhD Christopher Morley, PhD</p>	4414 B/C
2:30-3:30 PM	<p style="text-align: right;">Translational Collaborations</p> <p style="text-align: center;">Karen Albright, MPH, DO, PhD</p>	1143
2:30-3:30 PM	<p style="text-align: center;">In Industry: Lessons from the Bench and Boardroom</p> <p style="text-align: center;">Adam Blanden, MS3</p>	1144
2:30-3:30 PM	<p style="text-align: right;">Grant Writing</p> <p style="text-align: center;">Patricia Kane, PhD Marc Halterman, PhD Liam Coyne, PhD3 Nick Huang, PhD3 Rohith Palli, PhD 3 Chelsey Reed, PhD 3</p>	2244
3:30-3:45 PM	Coffee/Snack Break	4414 B/C

3:45-4:45 PM	<p>Keynote Speaker Robert Baiocchi, MD, PhD <i>The Ohio State University College of Medicine</i> Professor; Associate Division Director, Clinical Translational Research; Associate Residency Program Director for Research; Director of the Physician Scientist Training Program; Division of Hematology; Department of Internal Medicine</p>	4414 B/C
4:45 - 5 PM	<p>Closing Remarks & Poster Awards Leszek Kotula, MD, PhD <i>SUNY Upstate Medical University</i> Co-Director, MD/PhD Program; Associate Professor of Urology; Associate Professor of Biochemistry and Molecular Biology; Associate Director for Basic and Translational Research Program, Upstate Cancer Center</p>	4414 B/C
5:00 PM	<p>APSA Sponsored Social Hour Faegan's (walking distance) 734 S. Crouse Avenue; Syracuse, NY 13210</p>	Faegan's
