

# THE NEW ACADEMIC BUILDING

The five-story, 46,000-square-foot addition to Weiskotten Hall is the first new classroom space built at Upstate Medical University since the late 1970s.

When completed in 2007, the new Academic Building will contain state-of-the-art space that supports and reflects medical education in the 21st century.

Your help is needed to complete the interior of the Academic Building with furniture, equipment and technology.
