

**Upstate Medical Alumni Foundation
Bequest Information:**

Syracuse Health Science Center Medical Alumni Foundation, Inc. (*our legal name*) is a New York State nonprofit corporation established in 1963 under the Internal Revenue Code 501 (c)(3) to receive and administer gifts and bequests made to the College of Medicine.

Individuals considering a bequest to the Syracuse Health Science Center College of Medicine should state in his or her will that the gift is bequeathed to the Syracuse Health Science Center Medical Alumni Foundation, Upstate Medical University, Setnor Academic Building #1510, 750 E Adams St, Syracuse, NY 13210. The executor of this foundation is the Executive Director of the Medical Alumni, currently Vince Kuss, 8521 Chippendale Circle, Manlius, NY 13104.

Restrictions, if any, of the gift should be included in the will.

Such restrictions might include: 1. that the gift is for the College of Medicine; 2. that an endowed fund be established in a particular name; 3. that this endowed fund be for the purpose of providing income to support a scholarship or award in the College of Medicine; 4. that the allocation of the funds will be for a specific capital purpose.

Endowment Management:

In keeping with established standards for endowment management, the monies made available annually for spending from an endowed fund are held at 5% of the market value at the close of each calendar year.
