

Faculty Evaluation of Resident Research

Please answer the following questions based on the following scale:

- 0 = unable to answer
- 1 = strongly disagree
- 2 = disagree
- 3 = neutral
- 4 = agree
- 5 = strongly agree

Medical Knowledge

1. I was impressed by resident's knowledge base specific to this research project.
2. I was impressed with resident's knowledge of biostatistics.
3. I was impressed by resident's overall knowledge of internal medicine.

Interpersonal and Communication Skills

4. The resident was a team player.
5. The resident communicated effectively with others.

Professionalism

6. The resident was always respectful.
7. The resident was always punctual.

Practice-Based Learning

8. Research protocols were designed based on appropriate evidence.

Systems-Based Practice

9. The resident was able to follow a research protocol.
10. The resident gained a better appreciation of research design (e.g. purpose of IRB, importance of the Belmont Report, etc.)
