

## **VIEW RESIDENT CREDENTIALS IN E-VALUE**

Go to <http://www.upstate.edu/medstaff>.

Click "View Resident Credentials on E\*Value\*\*" link.

Log in using your user name, and your password. No institutional code is required.

Click Reports.

Click PxDx

Click on Procedure Privileges.

Select the Trainee whose credentials you wish to view.

Select the procedure you wish to check, or, for a complete listing, select [All Procedures].

Click Next.

The report will show the information you have requested in two columns: Procedure Name, and Supervision Requirement.

Under Supervision Requirements, procedures may be listed as:

- Credentialed – no direct supervision Required
- Not Credentialed – direct supervision required
- Undetermined (Not credentialed or N/A)

For specific information regarding the definition of direct supervision, see the Resident Supervision policy (R-02) online at <http://www.upstate.edu/intra/policy/pdf/R-02.pdf>.
