NURSING GRAND ROUNDS

Tuesday, March 24

1:30 PM - 2:30 PM

Community Room – Community Campus

Before You Serve Another Round (of Medication): The BEERS Criteria & Nursing Best Practice with Older Adults

Presented by:

Lori Dzera, RN, BSN, MS (candidate)

Linh Nguyen, RN

Kaylin Brainerd, RN

Christopher Norman, MSN, RN-BC, APRN, AGPCNP-BC

Kelly Braham, PharmD

Targeted to all inpatient RNs

Purpose:

To educate nursing staff to perform early identification of high risk medications and their adverse effects on elderly patients.

Objectives:

- 1. Describe age-related physiologic changes that increase the risk for adverse drug reactions*
- 2. Identify common high-risk medications for older adults.*
- 3. Identify nursing strategies that will improve medication safety in older adults in the hospital*
