

Upstate Medical Live Shuttle Tracker

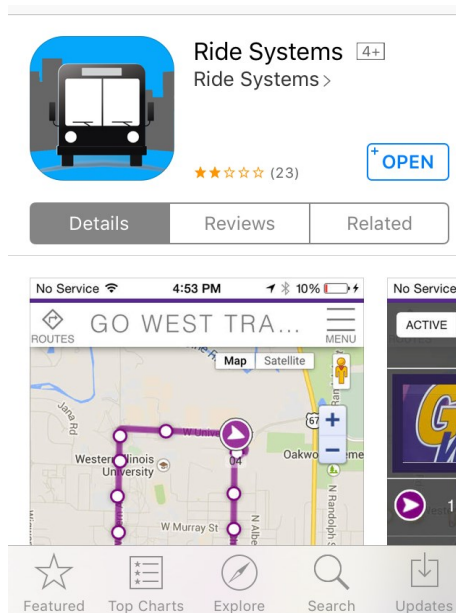

Want to make your commute to and from SUNY Upstate Medical Center a better one? Download our app to track your shuttle.

Download the App

Search for "Ride Systems" in the App Store or Google Play. You can also scan the QR code with your iPhone or Android to download the app.

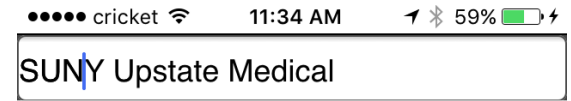

View the website on your desktop at www.sunyupstatemedical.ridesystems.net.

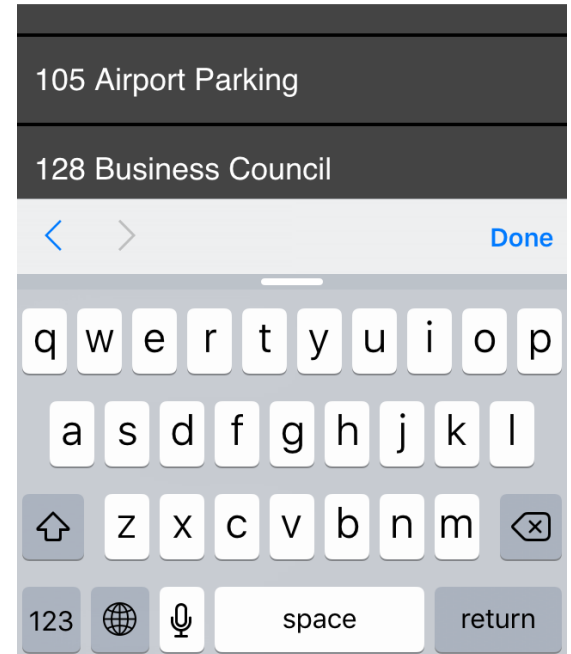

The Live Map shows the current location of all vehicles on route. Vehicle locations are updated every few seconds. Route and vehicle icons are color-coordinated for easy identification.

Find your Agency

SEARCH : SUNY UPSTATE MEDICAL

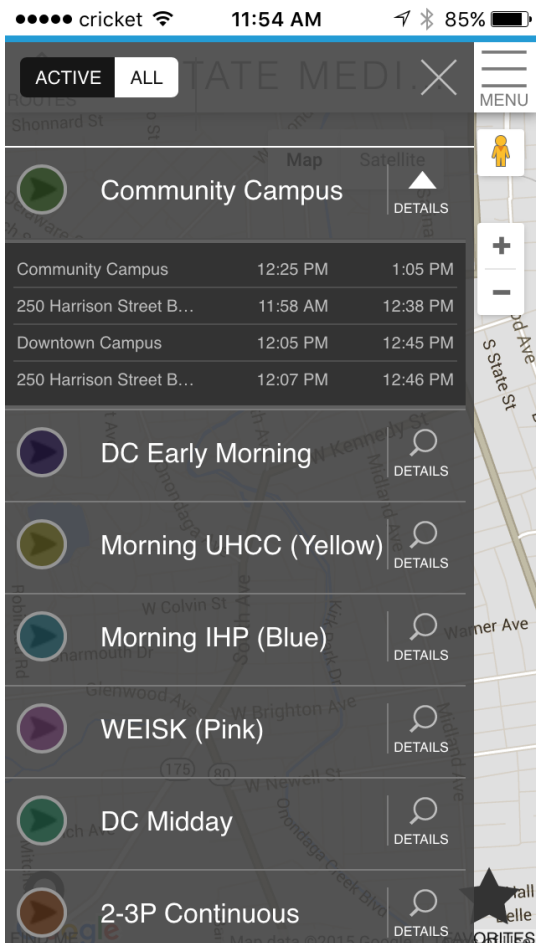

SUNY Upstate Medical

Location Service

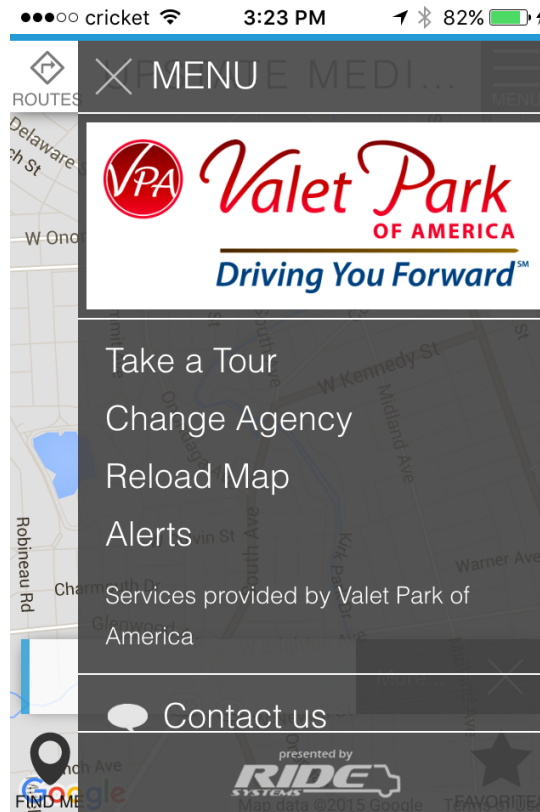

The mobile app includes access to vehicle and route information location, ETAs, important announcements, viewing of multiple routes simultaneously, and locating the user's location. Available on iOS and Android.

Easily select the routes you'd like to follow.

Contact Us

We'd like to know how we're doing. From the Ride Systems App, press the menu icon and then press on "Contact us" to give us your feedback.

Schedules & Map
