

Billie, our poison prevention hero, recommends:

POISON SAFETY FOR YOUR HOME

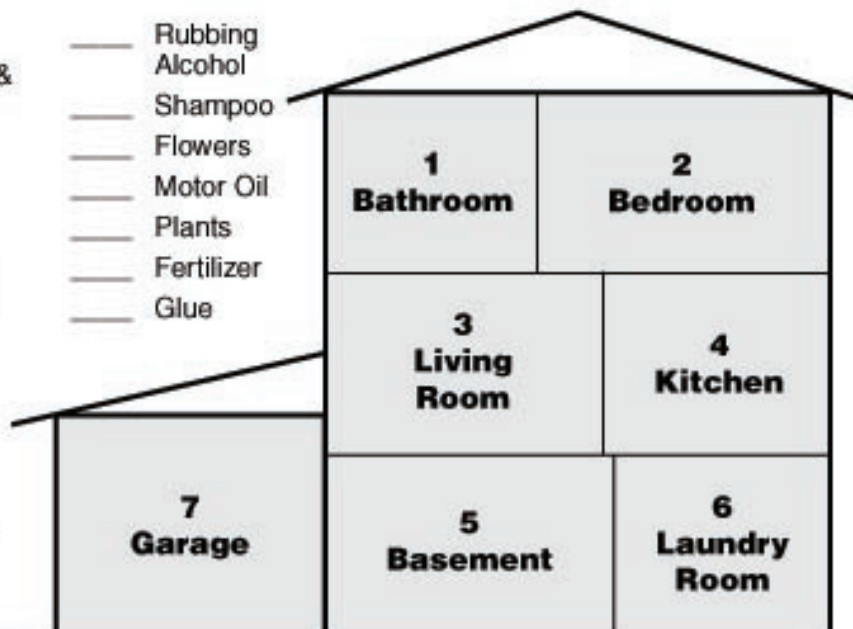

Did you know that 'good' products used the wrong way can be poisonous?

STEP 1:

Listed below are some poisonous items you might find in your home. In which room would you find each of these? Mark the room number on the line next to each item.

- | | | |
|---|--|--|
| <input type="checkbox"/> Vitamins | <input type="checkbox"/> Antifreeze | <input type="checkbox"/> Rubbing Alcohol |
| <input type="checkbox"/> Dish Soap | <input type="checkbox"/> Nail Polish & Remover | <input type="checkbox"/> Shampoo |
| <input type="checkbox"/> Mouse Bait | <input type="checkbox"/> Alcoholic Beverage | <input type="checkbox"/> Flowers |
| <input type="checkbox"/> Mothballs | <input type="checkbox"/> Medicine | <input type="checkbox"/> Motor Oil |
| <input type="checkbox"/> Ant Traps | <input type="checkbox"/> Cigarettes | <input type="checkbox"/> Plants |
| <input type="checkbox"/> Toothpaste | <input type="checkbox"/> Deodorant | <input type="checkbox"/> Fertilizer |
| <input type="checkbox"/> Peroxide | <input type="checkbox"/> Powder | <input type="checkbox"/> Glue |
| <input type="checkbox"/> Oven Cleaner | <input type="checkbox"/> Furniture Polish | |
| <input type="checkbox"/> Pesticides | <input type="checkbox"/> Bleach | |
| <input type="checkbox"/> Laundry Soap | <input type="checkbox"/> Gasoline | |
| <input type="checkbox"/> Windshield Washer Fluid | <input type="checkbox"/> Cosmetics | |
| <input type="checkbox"/> Perfume, Cologne, Aftershave | | |

Now that you have found the poisons in your home, be poison safe!

STEP 2:

Check the box below when you can say that the statement is true.

In my house we:

- | | |
|--|---|
| <input type="checkbox"/> Put all poisons out of reach | <input type="checkbox"/> Make sure all products are in their original containers |
| <input type="checkbox"/> Use safety tops | <input type="checkbox"/> Know where to find the phone number of the Poison Control Center |
| <input type="checkbox"/> Make sure all tops are tightly closed | |
| <input type="checkbox"/> Use safety locks | |
