

Home Safety Check

Listed on the right are safety tips to keep your home poison safe. Be sure to ask an adult to help you. When you have checked all boxes, you may complete the Poison Safety Patrol Certificate.

At Home Instructions

- If I do not know if something is a poison, I ask someone first.
- I stay away from these poisons at home unless an adult helps me:
 - Medicine
 - Soap for dishes
 - Vitamins
 - Plants
 - Mouthwash

In my home:

- We have the phone number of the Poison Control Center by the phone.
- We keep products in the containers that they come in.
- We use products with safety caps.
- We would call the Poison Control Center if we had questions about poisons.
- If we had a poison emergency we would call the Poison Control Center.
