

Poison Awareness

Order Form

Poison Awareness is an interactive educational program on CD-ROM designed for kids of all ages (Windows and Mac compatible)

- Travel with our poison prevention hero, Billie, as he teaches poison safety in his home.
- Listen and learn as our friend from the Poison Control Center provides poison prevention tips, while you have fun.
- Three specially designed games give you a chance to test your knowledge of prevention awareness as you try to avoid poisons along the route.
- Each click of the mouse brings new surprises.
