

UPSTATE
MEDICAL UNIVERSITY
EDUCATION · HEALTHCARE · RESEARCH
Office of the President & Health System CEO

June 14, 2018

To the Upstate Community:

The SUNY Board of Trustees today has announced the appointment of Vice President for Research David Amberg, PhD, as the interim president of the SUNY College of Environmental Science and Forestry.

I know with Dr. Amberg's leadership at SUNY-ESF, Upstate will continue its strong collaborative relationship with this important institution.

Sincerely,

A handwritten signature in blue ink, appearing to read "Danielle Laraque-Arena".

Danielle Laraque-Arena, MD, FAAP
President & Health System CEO
