Annual Research Report for the Year 2005

Prepared 4/1/06

Introduction:

The Department of Psychiatry at SUNY Upstate Medical University has been very productive over the past calendar year. The following document is a compendium of the research activities of Department faculty members and trainees.

This report includes the listing, by faculty member or trainee, of activities in the following areas:

- Research Grants
- Research Publications
- Research Presentations at National or International Conferences

The report describes the Department of Psychiatry's growing success and accomplishments in these areas. Please contact the Division of Research (Dr. Batki at 464-3132 or Ms. Hattersley at 464-3130) if we have inadvertently left out or misstated any details related to research activities.

The Research Division will issue its next report on calendar year 2006 in March 2007.

Congratulations to all of the faculty, staff and trainees who contributed to the impressive research accomplishments of our department.

Steven L. Batki, M.D.
Professor and Director of Research
