

Comprehensive Lung Cancer Care in Central New York

Thoracic Oncology Program (TOP)

University Hospital offers the most comprehensive Thoracic Oncology Program (TOP) in all of Central New York and is accredited by the American College of Surgeons' Commission on Cancer, a distinction awarded to very few hospitals in the United States.

TOP provides physicians with:

- Prompt, comprehensive patient evaluations and recommendations for treatment
- Timely physician feedback on patient progress
- Coordination of treatment with local and referring physicians

TOP provides patients with:

- The best in multi-modality treatment for all malignancies in the chest
- A smooth, coordinated approach
- Access to leading-edge treatments and clinical trials
- Convenience

This weekly, multi-disciplinary service at University Hospital offers:

- Quicker response
- Greater convenience
- Coordinated interdisciplinary assessment
- Timely follow-up
- Greater access to clinical trials
- Coordination of treatment with referring physicians
- Comprehensive, convenient and coordinated care for patients with all stages of chest malignancy
- University Hospital's Thoracic Oncology Program is the only service of its type in Central New York
