Upstate Medical University plans on leasing space from The Galleries. This space is presently only accessible through the library on the second floor. However that will change with the addition of the private entrance for Upstate Staff.

There are four entrance points into the Galleries. Two entrances on South Salina Street and two entrances on South Warren Street. The doors to the Galleries are unlocked at 7:30am Monday through Saturday.

On Monday, Thursday, Friday, and Saturday the main entrance doors are locked at 5:00pm.

On Tuesday and Wednesday the main entrance doors are locked at 7:00pm.

Sunday, the building is closed and locked all day long.

The Galleries’ lock up times coincides with the library business hours.

Once these doors are locked, the only way to gain entrance into the building is through the use of card access. Only two entrance points, South Entrance on South Salina Street and the North Entrance on South Warren Street, have a card access.

The Galleries and the Library both have their own in place at all times, G4S. At night, their security walks the perimeter of the building to ensure there is no suspicious activity.

The Syracuse Police Department leases office space in the Galleries on the 1st floor in the Downtown Security & Information Center Office. Police Officers work throughout the day in the office space.
