Dear Applicant,

Thank you for your interest in our internship training program. Twice a year, for 15 weeks, our Child Life Program offers comprehensive internship training to qualified students currently enrolled in an academic program in Child Life or a related field. These are full time training positions with sessions beginning in January, and September.

To be an eligible candidate, you must possess:

- Core curriculum classes in child life or related field verified by Child Life Council.
- A 120 hour Practicum experience with children in an established Child Life program under a Certified Child Life Specialist.
- Student or work experience with children in group settings
- Knowledge of psychosocial issues related to illness and hospitalization.
- Applicants must be currently enrolled in an academic program. We do not accept independent students.
