American Journal of Psychiatry; Psychiatry Research;  
American Journal of Psychotherapy (books); Psychiatric Services;  
Biological Psychiatry; Archives of Internal Medicine; Surgical Neurology;  
Academic Medicine; Annals of Clinical Psychiatry; Psychiatric Times; Academic  
Psychiatry; International Journal of Psychiatry in Medicine; CNS Spectrum; Journal  
of Nervous and Mental Diseases; Therapeutic Advances in Psychopharmacology.

**Grants:**

Bioavailability Study of Clozapine, Co-Investigator	1983
The Steady State Bioavailability of Mellaril Tablets, Co-Investigator	1984
Hendricks Fund for Medical Research: Affective Disorders-Biological subtyping using EEG, CT scan, and Neuropsychological test results, Principal Investigator (\$5000)	1984
Brain imaging in schizophrenia and bipolar disorder, Amersham Inc., Principal Investigator (\$22,500)	1990
Biological assessment of Schizophrenic patients, Hendricks Fund for Medical research, Co-Investigator (\$10,000)	1991
SPECT changes in Obsessive Compulsive Disordered patients treated with medication or behavior therapy, Hendricks Fund for Medical research, Co-Investigator (\$10,000)	1991
A double blind study comparing the efficacy and safety of two doses of oral CP-88,059 in acute exacerbation of Schizophrenia and Schizoaffective Disorder, Pfizer, Inc., Principal Investigator (\$20,000)	1993
52-Week, Open-label, Randomized Study Evaluating the safety and efficacy of Oral Ziprasidone (CP-88, 059-l) (40-80 mg BID) and Risperidone (3-5 mg, BID) in the Maintenance Treatment of Outpatients with Schizophrenia or Schizoaffective Disorder 128-117, Pfizer, Inc., Principal Investigator (\$16,500)	1995
A randomized, double-blind crossover comparison of the effects of desloratidine vs. Diphenhydramine vs. Placebo on managerial	

performance in subjects with seasonal allergic rhinitis, P01865-01 Integrated Therapeutics Group, Inc (Schering-Plough Corp.), Co-Investigator (\$750,000)	2000
A controlled trial of olanzapine versus ziprasidone in the treatment of schizophrenic and schizoaffective subjects with comorbid depression, F1D-US-HGJU, Eli Lilly Co, Principal Investigator (\$32,500)	2001
"Increasing the specificity of neurocognitive impairment: Impact of Olanzapine in patients with Schizophrenia", Eli Lilly, Co-investigator (\$124,000)	2004
Open-Label, Dose-Titration, Long-Term Safety Study to Evaluate CONCERTA® at Doses of 36 mg, 54 mg, 72 mg, 90 mg and 108 mg per day in Adults with Attention Deficit Hyperactivity Disorder, McNeil, Co-PI	2006
"Genomic Psychiatric Cohort" USC/National Institutes of Mental Health, 5RO1MH085548 Pato C, PI: Total funding \$3,828,698 Subcontract to SUNY Upstate/RF Co-PI (with Morley C), SUNY Upstate subaward	2008-2013
"Upstate Center for Excellence in Psychiatry" HRSA, PI (\$706,000)	2009-2014

### **Education contracts:**

"Community Child Psychiatry Consultation Program", NY State Office of Mental Health, PI (\$200,000/ year)	2006-2008
"Simulation based training of resident competency", Macy Foundation, co-investigator (\$858,000)	2007-2009
"Cognitive Simulation in Healthcare Education" Kansas University/JCCCC, co-PI (\$700,000)	2012

### **Papers Presented (national and international):**

1. "An Organic Subgroup of Schizophrenia" (with A.K. Pandurangi, S.H. Lee, M. Boucher, B. Levy, T. Ramachandran and L.F. Major), American Psychiatric Association, Annual Meeting, Los Angeles, 1984.

#### **CME Courses conducted:**

1. "Doing Research on a Shoestring Budget", CME course at the annual meeting, American Psychiatric Association, 1997:
  - Course Director.
  - Presenter: "Strategies for successful research with minimal funding".
  - : "Getting your results published".

Invited to repeat the course every year since, 1998- 2010.

Also invited to teach the course at the APA Institute on Psychiatric services in October 2003.
