

HOODING OF GRADUATE FORM

Students receiving doctoral (MD, PhD, DPT, DNP) degrees will be “hooded” at the commencement ceremony. Typically, students are hooded by their faculty advisor or the faculty marshal of their college. However, doctoral candidates may invite a member of their immediate family to participate in the hooding if the family member holds the same degree. Academic regalia is required for family members participating and the hooding request must be approved by an appropriate Students Affairs Staff member. Deadline for hooding submission is March 13, 2020. No late requests/orders will be accepted.

Name of Graduating Student: _____

College Student is Graduating From:

- Medicine Health Professions Graduate Studies Nursing

Graduate's Email Address: _____

Graduate's Phone Number: _____

Name of Person Hooding Graduating Student: _____
