 MEDICAL UNIVERSITY  
 COLLEGE OF MEDICINE

**CODE NUMBERS**

Electives and clerkships have been assigned code numbers consisting of four digits. Reading left to right, the first two digits identify the department. The second two digits identify the course. Double zeroes are clerkships. When referring to any course, please be sure to include the entire four-digit number. Unique electives are coded by department (first two digits) and either 96 (Binghamton intramural) or 98 (Syracuse intramural) or 97 (Binghamton extramural) or 99 (Syracuse extramural) i.e. an away elective for a Binghamton student in Internal Medicine is MDCN 2197.
