(for matriculated students only)**

ALL students in the Central New York Master of Public Health Program (CNYMPH Program) need to participate in the Open Enrollment period to select courses for the following semester either via [MyUpstate](#) or by submitting and Add/Drop form.

Returning matriculated students may add and/or drop courses during the Open Enrollment period (please see [Academic Calendar](#) for specific dates).

Tuition and fees will be based on the number of credits in which you enroll.
