

MEMORANDUM

TO: Radiation Therapy Program Applicant
From: Wendy Meyer, Senior Assistant Director of Admissions
SUBJECT: Clinical Choice Preference

Congratulations on being selected to interview for a position in the Radiation Therapy program at Upstate Medical University!

All radiation therapy students spend their junior fall semester and the first 8 weeks of their junior spring semester in Syracuse. After this, the remaining 42 weeks of full-time clinical education can be completed in cancer centers in several different regions of Upstate New York. At the present time, these regions include Central New York, Rochester, Buffalo, the Southern Tier, and the Capital/Hudson Valley region however availability of sites may change. Students can request individual rotations in clinical regions other than the one they are assigned to, however, students assigned to that region are given first choice. During their senior fall and spring semesters, students only return to campus for individual weeks of intensive class work and for final exams at the end of each semester. Students are responsible for securing their own housing in the region they're assigned and will also need to have reliable transportation.

Please indicate which regions you are willing to be considered for. Please also indicate your preference. 1 = first choice, 2= second choice, 3= third choice, 4= fourth choice, 5= fifth choice, and X = will not accept this choice.

I will accept the Central New York Region
I understand that this region includes the greater Syracuse area, Utica, and Cooperstown.
\*\*I understand that the final 6 weeks of my clinical education will always be outside the Central New York area and will involve considerable travel.

I will accept the Rochester Region
I understand that this region includes Clifton Springs, Canandaigua and Rochester.

I will accept the Buffalo region.
I understand that this region only includes Roswell Park Cancer Institute.

I will accept the Southern Tier region
I understand that this region includes Binghamton, Johnson City, Ithaca, Oneonta and Elmira.

I will accept the Capital District and Hudson Valley region
I understand that this region includes Amsterdam, Albany, Clifton Park, Glens Falls, Kingston, and Poughkeepsie
