
BLACK/AFRICAN AMERICAN PROFESSIONAL RESOURCES

BET - www.bet.com

- A huge portal to African-American life, including information on families, lifestyles, music, technology, and careers. It was founded in 1999 by several major companies, including Microsoft, and it is “tailored to the preferences and needs of the African-American and urban communities.” Job listings here are provided in partnership with Monster.com.

Black Collegian Online - <https://www.diversityemployers.com/>

- Provides cutting-edge information on career resources for Black collegians. Job search strategies, graduate school opportunities, career and industry reports are abundantly explored. Focuses on underrepresented minority groups. Over 350 members. Links with over 800 college/ university campus career centers and over 500 minority organizations.

Diverse Issues in Higher Education (formerly Black Issues in Higher Education) – www.diverseeducation.com

Journal of Blacks in Higher Education - <http://www.jbhe.com/jobs.html>

National Alliance of Black School Educators (NABSE) - www.nabse.org

- Promote and facilitate the education of all students, with a particular focus on African American students; establish a coalition of African American educators, administrators and other professionals directly and indirectly involved in the educational process; create a forum for the exchange of ideas and strategies to improve opportunities for African American educators and students; and identify and develop African American professionals who will assume leadership positions in education and influence public policy concerning the education of African Americans.

National Black MBA Association, Inc. (NMBBAA) - <https://www.nmbbaa.org>

- As a professional membership organization of Black graduates with MBAs, advanced degrees, and entrepreneurs, we will increase the number as well as the diversity of successful Blacks.

National Urban League, Inc. - www.nul.org

- The National Urban League is committed to diversity and is dedicated to increasing opportunities for African Americans and other people of color. As part of the nationwide Urban League Employment Network, the National Urban League career center is your gateway for maximum exposure on the National Urban League and local affiliate career centers across the country.

The Black Scholar - www.theblackscholar.org

- Firmly established as the premier journal of Afro-American critical scholarship, we have a circulation of 10,000 and a readership of 60,000 of which 70-80% are black, either college or college-oriented, with an average age of 35 years. We thus feel that we are more than adequately able to give you the concentrated black and minority market that you are seeking. Our journal is widely read by teachers, professionals, and intellectuals and is also required reading for many courses with Afro-American and Ethnic Studies.

Black Data Processing Associates - <http://www.bdpa.org>

- The career center has a robust resume databank of Information Technology professionals.

Black Career Women - <http://www.bcw.org/>

- Serves as a nucleus of support to identify and address the critical needs of black women in the workforce as it relates to their career mobility and achievement. BCW's members are diverse representing aspiring and achieving women workers from entry level to executive level.

National Association for the Advancement of Colored People - <http://www.naacp.org>

National Association of Black Telecommunication Professionals - <http://www.nabtp.org>

National Forum for Black Administrators - <http://www.nfbpa.org/>

- Strengthen the position of Blacks within the field of public administration; to increase the number of Blacks appointed to executive positions in public service organizations; and, to groom and prepare younger, aspiring administrators for senior public management posts in the years ahead.

National Organization for the Professional Advancement of Black Chemists & Chemical Engineers - <http://www.nobcche.org>

- To build an eminent community of scientists and engineers by increasing the number of minorities in these fields. NOBCChE will achieve its mission through diverse programs designed to foster professional development and encourage students to pursue careers in science and technical fields.

National Society of Black Engineers - <http://www.nsbe.org>

NATIVE AMERICAN PROFESSIONAL RESOURCES

The Tribal Employment Newsletter - <https://www.nativeamericanjobs.com/>

- Used by employers nationally to increase the effectiveness of their diversity recruitment effort. Widely known as a focused and highly effective recruitment tool, nearly 2000 individuals interested in Indian employment accessed the announcements posted in The Tribal Employment Newsletter last month.

Advancing Women - www.advancingwomen.com

- A business site dedicated to women. It subdivides into sections for younger women, some diversity groups among women, work and leisure, and money issues. The job and career information is provided in partnership with Careerbuilder.net.

Women in Higher Education (WIHE) - www.wihe.com

Women's College Coalition - <http://www.womenscolleges.org/aboutus/>

- This website lists women's colleges and universities but doesn't have a link to post employment opportunities. This could be a good resource for outreach letters.

American Business Women's Association - <http://www.abwa.org/>

- Brings together businesswomen of diverse occupations and provides opportunities for them to help themselves and others grow personally and professionally through leadership, education, networking support and national recognition.

American Society for Women Accountants - <http://www.aswa.org>

- Formed in 1938 to increase the opportunities for women in all fields of accounting and finance.

Association for Women in Science - <http://www.awis.org>

- AWIS is a national advocacy organization championing the interests of women in science, technology, engineering, and mathematics across all disciplines and employment sectors. By breaking down barriers and creating opportunities, AWIS strives to ensure that women in these fields can achieve their full potential.

Financial Women's Association - <http://www.fwa.org/>

- The Financial Women's Association brings together high achieving professionals from every sector of the financial world. We are dedicated to developing future leaders, enhancing the role of women in finance, and investing in the community.

National Women's Studies Association - <http://www.nwsa.org/>

- NWSA is a professional organization dedicated to leading the field of women's studies, as well as its teaching, learning, research, and service wherever they be found.

STAFF/ADMINISTRATION RESOURCES

American Association of Collegiate Registrars and Admissions Officers - <https://www.aacrao.org/w.aacrao.com/>

- Professional association of more than 9,300 higher education administrators who represent more than 2,400 institutions and agencies in the United States and 39 other countries. Provides professional development, guidelines and voluntary standards to be used by higher education officials regarding the best practices in records management, admissions, enrollment management, administrative information technology and student services. It also provides a forum for discussion regarding policy initiation and development, interpretation and implementation at the institutional level and in the global educational community.

Association for Institutional Research - <https://www.airweb.org/>

- Supports members in their efforts to continuously improve the practice of institutional research for postsecondary planning, management and operations, and to further develop and promote the institutional research profession.

Collegiate Information and Visitor Services Association. <http://www.civsa.org>

- Continues the important work of spreading the word about the campus information and visitor services profession and links practitioners together in a professional association that represents and works toward meeting their needs.

Council for Advancement and Support of Education - <http://www.case.org>

- CASE helps its members build stronger relationships with their alumni and donors, raise funds for campus projects, produce recruitment materials, market their institutions to prospective students, diversify the profession, and foster public support of education. CASE also offers a variety of advancement products and services, provides standards and an ethical framework for the profession, and works with other organizations to respond to public issues of concern, while promoting the importance of education worldwide.

National Association of College and University Business Officers - <http://www.nacubo.org/>

- NACUBO serves a membership of more than 2,500 colleges, universities, and higher education service providers across the country. NACUBO represents chief administrative and financial officers through a collaboration of knowledge and professional development, advocacy, and community. Our vision: to define excellence in higher education business and financial management.

National Association of Educational Buyers - <http://www.naeb.org>

- NAEP has been the non-profit professional association primarily dedicated to serving higher education purchasing officers in the U.S. and Canada. NAEP's mission is to facilitate the development, exchange and practice of effective and ethical procurement principles and techniques within higher education and associated communities, through continuing education, networking, public information and advocacy.

National Association of Student Personnel Administrators - <http://www.naspa.org/>

- NASPA, student affairs administrators in higher education, is the leading voice for student affairs administration, policy and practice and affirms the commitment of student affairs to educating the whole student and integrating student life and learning. With over 11,000 members at 1,400 campuses, and representing 29 countries, NASPA is the largest professional association for student affairs administrators, faculty and graduate students. NASPA members are committed to serving college students by embracing the core values of diversity, learning, integrity, collaboration, access, service, fellowship, and the spirit of inquiry.
