- Explore research as a career
- Develop research skills
- Earn credits, a salary and benefits

The SUNY Upstate Medical University College of Graduate Studies is offering research training opportunities to help individuals **from all background** who hold a recent baccalaureate degree in a biomedically relevant area of study to pursue a research-focused doctoral degree.

DEADLINE FOR APPLYING: MARCH 31, 2025

PREP-UP: POSTBACCALAUREATE RESEARCH AND EDUCATION PROGRAM AT UPSTATE MEDICAL UNIVERSITY

JUNE/JULY 2025 - MAY/JUNE 2026

The SUNY Upstate Medical University College of Graduate Studies is offering research training opportunities to help individuals from all background and experiences who hold a recent baccalaureate degree in a biomedically relevant area of study to pursue a research-focused doctoral degree.

The program will be held from June, 2024 through May, 2025. Students accepted to the program will work as apprentice scientists under the supervision of an established biomedical scientist and participate in courses for skill development.

Each student will be provided a salary and benefits for the 12-month period. In addition, students will have the opportunity to take two full-credit courses free of charge.

Applicants should be undergraduate students in good academic standing, who will have

completed their senior year of study by spring of senior year 2025 and are majors in biomedically related fields, such as chemistry, biology, neuroscience, etc.

Individuals who graduated within the last two years are also eligible.

Applicants must have a strong interest in pursuing a career in basic biomedical research, and are expected to pursue rigorous, research-focused doctoral degree programs (such as PhD or MD/PhD) in biomedical fields.

USE THIS QR CODE

The main criteria for the selection of students will be personal scholarship and academic excellence and the match of applicant interests with those of participating SUNY Upstate researchers.

How to Apply

In addition to the completed **online application**, please submit the following documentation:

- An official transcript of your undergraduate study to date
- Two letters of recommendation
- Personal statement
- Resume/CV

Apply online at:
