

HELP US RECYCLE

...AND RAISE FUNDS

FOR UPSTATE GOLISANO CHILDREN'S HOSPITAL!

INK JET/ LASER
PRINTER CARTRIDGES

CELL PHONES
PDAS

Upstate Medical University continues to participate in a recycling program that reduces often hazardous landfill waste by recycling ink jet/laser printer cartridges and cellular phones and chargers. This is a collaborative effort involving the Upstate Foundation, Mail and Receiving Services, Environmental Health and Safety, and Walmart. Each collected item will be redeemed with the proceeds benefiting the Upstate Golisano Children's Hospital.

The procedure is as easy
as 1-2-3.

10.301 0910 300 U RJ

Small Laserjet and Inkjet Cartridges:

1. Remove cartridge from printer/copier.
2. Place tape over the metallic end of the cartridge.
3. Place in interoffice mail envelope and address to INKJET.

Please note: Do not mail more than six cartridges at any one time. If you have larger quantities contact Environmental Health and Safety at 4-5782 for assistance.

Large Printer Cartridges:

1. Remove cartridge from printer/copier.
2. Place cartridge in its original box or use the box from the new replacement cartridge. Seal the box with tape.
3. Place in interoffice mail and address to INKJET.

Cellular Phones/ PDAs/ Blackberrys:

1. Remove personal information from memory.
2. Place phone in plastic bag with charger if possible.
3. Seal plastic bag.
4. Place in interoffice mail envelope and address to CELL PHONE.

Please, NO
standard batteries
(Cs, Ds, 9Vs, etc.)
